2. Why Affiliate Marketing works so well.
3. How To Make Sure You Keep Growing As A Business.

## Outline:

- **Subject:** This is how you make sure you Keep Growing as a Business.
- **Problem:** It's easy to start a business, but growing it? Not so much. If you want to make sure you keep growing, you have to keep giving a f\*\*k. Let me explain.
- **Agitate:** When you're growing, details matter even more. You can't afford to be lax. More customers = more eyes, eyes that see every single thing about your business. F\*\*k up once? I guarantee you that it's already up on the internet.
- **Solve:** Your market's eyes will always be on your business. Make sure they see something they like.
