BE Synopsis Presentation Outline:

The presentation shall include not more than 18 – 20 numbers of slides for the duration of 10 – 15 minutes. Distribute the presentation of synopsis contents among your team members accordingly. Suggested outline for BE Project Synopsis PPT as follows:

0. Title (1 slide)
1. Presentation Outline (1 slide)
2. Introduction (2 slides)
3. Literature Survey
      3.1 Existing system architecture (1 slide)
      3.2 Summary of Literature Survey (1 slide)
      3.3 Problem Statement, Scope and Objectives (1 slide)
4. Implementation Plan
      4.1 Proposed Block Diagram / System Architecture (1 slide)
      4.2 Mathematical Model / Techniques/ Algorithms (2-3 slides)
      4.3 Hardware and Software Details (1 slide)
      4.4 Input and Output Specification (1 slide)
      4.5 Performance Evaluation Parameters - If Any (1 slide)
      4.6 Results based on Implementation (if any) (1-2 slides)
8. Application (1 slide)
9. References (1 slide)
10. Acknowledgement (1 slide)
