Dear Neighbors and Friends,

Our 2022 annual spring fair is finally retuning .This year's event ***Come back to the Fair*** packs a double edge punch as we look forward to the warmer weather and the warm embrace of neighbors. Join us in our commitment to preserve our community- its heritage, its diversity, its future. Now, more than ever what we in Willowtown have always known resonates, community matters.

This year's Fair takes place on *Saturday, May 21 from Noon to 5 PM on Willow Place*. The popular Brooklyn Bards Band return, and our friends at Iris Café are back to provide sandwiches and seasonal specialties. Games, races and the longest tug-of-war in Brooklyn are all part of this year's fun.

The primary goal of our annual fair is community building through participation, so we hope you will decide to join us. Some of your neighbors have already put in countless hours on your behalf. Your participation helps the Willowtown Association continue to be your voice.

- Join us with a contribution of \$50.00 or more.
- Place an ad in the Fair Journal.
