

## NCVT Reject ITI

### Agenda 15.4: Implementation of minimum 4 trades in all ITIs uniformly on PAN India basis

It was informed to the committee that many existing ITIs are running with less than four trades. However, as per latest norms and guidelines of affiliation minimum 4 trades are required to get affiliation. Accordingly, it was proposed that all such ITIs (except MSTIs) shall get affiliation for remaining trades by next year failing which they will be proposed for de-affiliation.

The DG asked to request all the State Directorates to do the data analysis on the above matter and to seek their comments within 15 days to take further decision in the matter.

### 03 TRADE IS AFFILIATED BUT REJECTED BECAUSE 04 TRADE IS MANDATORY
