

Motion re: Propose Amendment to the EUS Operating Budget

Whereas, the PPU is no longer spending money on Cloud Storage and a Fall Exhibition, a total of \$336 previously approved by BoG (old budget seen in Appendix A),

Whereas, the PPU would like to participate in EUS unifying merch with PNU patches for the team,

Whereas, the PPU Photographers require merch to be easily identified at EUS events (i.e., photographer t-shirts),

Whereas, the PPU would like to facilitate finding Blues Pub photos with posters around the EUS Common Room,

Whereas, the PPU requests allocating the fall semester budget towards the aforementioned articles of merch and posters for a total of \$353.74 instead,

Be it resolved, the EUS operating budget is amended to reflect a new PPU budget for 2023-2024 (attached in Appendix B) which accounts for an increase of \$17.74 allocated to PPU;
