

YSP Adventures Payment Plan & Cancellation Policy

Payment Plan

Payment Plan

We're all about making this dream adventure as accessible (and stress-free) as possible. If you opt for the payment plan, here's how it works:

Deposit: Non-refundable \$200 to secure your spot

Payment 1: 4 months before the retreat

Payment 2: 3 months before the retreat

Payment 3: 2 months before the retreat

Payment 4: 1 month before the retreat

You'll get a friendly email reminder a few days before each payment is due, so keep an eye on that inbox.

We know life can get a little messy sometimes, so we've built in a **seven-day grace period** for each payment. If a payment is overdue by **14 days**, a \$25/week late fee will be applied (but don't worry, we'll do our absolute best to reach you before that happens!).

If payments fall 30 days overdue, your spot on the retreat may be canceled without a refund, which we really don't want to happen—so please keep us in the loop if you're having any issues. We're here to help!

Cancellation Policy

We get it—LIFE HAPPENS. This cancellation policy is designed to be as flexible and compassionate as possible because we truly understand the unexpected, but it's also here to protect the blood, sweat, and (occasionally happy) tears the Sober Pal team pours into crafting these magical retreats.

Here's the deal:

- **Cancel within 60 days of your deposit:** Full refund (except deposit amount)
- **Cancel after 60 days of your deposit:** Get 50% back
- **Cancel within 30 days of your retreat:** No refunds, no exceptions.

But here's some good news: retreat bookings are transferable! If you find someone who wants to take your spot (and their application is approved), they're in—just make sure this is done at least one week before the retreat.

We know no one signs up for an adventure like this planning to cancel, but we've learned (the hard way) that last-minute changes cost us big in time, energy, and resources. While we'd love to make exceptions, we simply can't—for any reason, including weather, illness, personal emergencies, or other unexpected life curveballs.

This is why we **highly recommend purchasing travel insurance**—trust us, it's worth it! Trip insurance can cover fees if you need to cancel for medical reasons, flights, lost luggage, and more.

If you're looking for a good travel insurance option, here's a link to one past attendees have used and loved: <https://www.allianztravelinsurance.com/>

We're here to help make your experience as smooth as possible—just remember, a little prep goes a long way when it comes to protecting your investment in yourself and this epic adventure. 🧡
