MELONTOWN MAYOR'S OFFICE

Emergency Order #1 – FOR IMMEDIATE RELEASE

October 5, 2020

We, Mayor meta64 and Vice Mayor Michael Webb, declare a city-wide state of emergency for all of Melontown, excluding Melon Mountains and Iceland until October 9, 2020, when the new Mayor/Vice Mayor duo will take power. They have the ability to extend this order until October 15 if necessary.

This Emergency Order declares the following:

- No one, except the "Excluded Parties" (see below) will be allowed inside the iron bars surrounding the damaged courthouse.
    - If caught, you will be sentenced to jail and possibly exile from all of Melontown and its colonies.
- Two contracting companies, JosephineMira Rail Co. and Fishy Civil Contractors LTD, will be hired to rebuild the outside, and the corner inside that was burned by this fire.
- Funding will be put into finding out what caused this fire.
- Funding will also, of course, go to the contractors to buy necessary materials and to hire employees.

The Excluded Parties are as follows:

- Major government officials, namely the Mayor and Vice Mayor
- Any employee of the two contracting companies named above

Signed: meta64, Mayor ---------- Michael Webb, Vice Mayor
