

]6.1.1 The governance of the institution is reflective of and in tune with the vision and mission of the institution

Response

Vision

“Tejasvi navadhitamastu” (May our Intellect be sharpened) ‘Let Learning lead from Darkness to Light, both the Teacher and the Taught’

Mission

To equip the students and the community, especially the weaker sections for an upward movement to make an egalitarian social order.

To provide the students quality higher education in tune with the changing times.

To empower the girls, especially the Muslim girls, who were hitherto marginalized by proving quality higher education.

To inculcate among the students the vision of a pluralistic, multicultural, multi- religious and multi-dimensional order.

To mold an intellectually competent, morally upright and physically fit student community

To extend sound education in basic science and humanities

Core Values

- Egalitarian social order - Pluralistic, Multicultural, Multi-religious and Multi-dimensional social order - Inclusive empowerment - Sound education to weaker sections, minority and girls

Govt. College, Malappuram is one of the premier institutions in Malappuram district started functioning in 1972 as an arts and Science College with Two Pre degree batches at Downhill Malappuram and Later was shifted to the present site realizing the educational ambitions of the stakeholders and beneficiaries of the locality. It was established for the social, educational and economic upliftment of marginalized sections, minorities and women. So far, the institution has paved the way for higher education for thousands of youths who have been, in fact, the live presence in almost all walks of life in the district, the state, and the national levels. The huge number of students passed out from here employed in the Middle East and other gulf and western countries ensure their significance in the international level too. The college has a great record in contributing reputed personalities from the locality to the society having leading positions in the field of different industries, politics, government services etc. The institution has a consistent performance in imparting quality higher education to the student community in the district. Due to the strategic location of the institution in the district along with remarkable and consistent academic standards, the cream and elited group of students are admitted in the college every year. Thus the weaker and backward sections of the district have got a significant share from the institution so far to accomplish their academic pursuits and to grab their career options. The institution endeavors to ensure different scholarships for socially and economically backward classes along with the deserving reservations set as per rules and regulations of the government and the

university. The college endeavors to give quality higher education in tune with changing times in science and humanities . It embeds among the students the habit of respecting pluralistic, multicultural, multi- religious and multi-dimensional order of the society through their participation in different activities of clubs, N.C.C and N.S.S. that can mold them intellectually competent, morally upright and physically fit ,whereas the girls students occupies 80% of the total seats for the courses. Also they have 70% of representation in NSS and NCC. The college offers many women empowerment programmes to channelize them to the mainstream of the society. The college provides with great opportunities to exhibit their innate talents in sports and arts festivals in college, university and inter university levels with remarkable achievements . Moreover they take part in different occasional celebrations and cultural events observed and organised by different clubs and students' union.

Governance

Government of Kerala

Being a government college, it is completely under the supervision of the Ministry of Higher Education, Higher Education Department and Directorate of Collegiate Education.

University of Calicut
