

ReWild/West Suffolk Calendar

Updated October 16, 2025

Hello ReWild/West Suffolk Community! The West Suffolk team is looking forward to rewilding with you!

- Got questions? Email WestSuffolk-Leads@ReWildLongIsland.org
 - Our [chapter page](#)
 - See more ReWild [events](#)
 - Check out the range of ReWild [programs](#)
 - Our [YouTube Channel](#) has all of our webinars/workshop posts.
-

 **Need Garden Inspiration?**  Check out our [Sustainable Garden Calendar](#) with [October](#) recommendations already posted. From pollinator-friendly plants to eco-smart watering tips, we've got you covered. 

 **Join our upcoming Monthly Speakers & Gardeners Workshop!** 

Workshop series hosted monthly on Zoom. Learn how to adapt your garden to changing weather with expert tips from seasoned gardeners and engaging speakers. Each month, we will explore different topics.

-  **October 23, 7 - 8 pm - All about [Compost](#).** Join ReWild online to learn the basics of composting. Follow the [link](#) to join.
-  **November 20, 7 - 8 pm - [Winter Wildlife Support](#)** – Learn the importance of leaving seed heads and brush for local wildlife, and observing and fostering life in winter gardens. Follow the [link](#) to join.

  **October 28, 7 - 8 pm - [Seed Saving](#).** Join ReWild online to learn the basics of composting. Follow the [link](#) to join. **Join our upcoming [Seed Saving Webinar](#)!**  Learn how to: Collect native plant seeds, Test seed viability, Clean & store seeds, Propagate seeds. Follow the [link](#) to register.

 **ReWild is powered by people coming together to make a difference.** 

Grow with ReWild

- Dig into sustainable gardening, native plants, pollinator gardening & composting
- Get creative designing graphics or writing newsletters

Join us in-person or remotely, for a couple hours or more.

ReWild/West Suffolk Events

Activity key

-  Gardening – bring your gloves and care for our green spaces
 -  Composting – transform food scraps into soil food
 -  Workshop or talk – learn and grow
 -  Tour or walk – stroll through a garden or nature preserve or...
 -  Celebration or special event – sustainable land care is an act of celebration, but there are some extra special days...
 -  Native plant sale – find native plants locally
 -  More green events we love (that we couldn't fit into the a category above)
 -  Family-friendly activity – all ages are welcome
 -  Online event
-

Volunteers Needed

  **Gateway Community Garden (Corner of New York Ave and [Lowndes Ave, Huntington Station, NY 11746](#))**

- **Tuesday (10/28)** at 9:30 AM: Planting Garlic & mulch the garden for the winter
- **Tuesday (11/11)** at 9:30 AM: Harvest Carrots - Thank you our Veterans for your service!
- **Tuesday (11/25)** at 9:30 AM: Harvest Carrots - Happy Thanksgiving!

The garden is winding down. So far, we have harvested and donated 387lbs of produce to the local soup kitchen! We planted carrot seeds, now we wait for a late fall harvest. We will be planting garlic at the end of this month. [Please come join us](#),

  **Edgewood Oak Brush Plains Preserve Rain Garden Maintenance**

Installed Fall 2023, and it hasn't needed watering since AND it's thriving! Proof that a well designed native garden in public spaces can be beautiful and functional.

- **Upcoming Maintenance Days** (Last 2 of 2025!!)
 - Thursday, **October 18 (10am-noon)**
 - Sunday, **November 2nd (8am-10am)** - Day Light saving time. Please sign up so we can update you of any changes.

The garden is at the entrance of Edgewood Oak Brush Plains Preserve (the official address is 528 Commack Rd, Deer Park, NY 11729). However, depending on what map service you use, it can send you to a shopping center instead! Please use this [map link](#) or Google Edgewood Oak Brush Plains Preserve.

[Please join us](#) – immerse yourself in nature, among the blooms
