New Business

MEMBERS

- Membership Prerequisites were discussed. 8 people attended the meeting via Zoom, we need to confirm if the others that didn't show are still interested so that we can meet the 10-member requirement to hold Nose Work Events.
- Group members need to consider and invite any additional people they believe would greatly benefit the group to get the club started. Those individuals must be willing to put in the work to reach the groups goals and fit well with the team.

Our Club Group

- 12 names were presented, no other names at meeting were given. The Coastal Canine Club was voted as the group's name.
- It was agreed that we will be an all-breed club with performance and conformation.

Volunteering to be an Officer

Susan Norris – Treasurer

Heather Summers – Will fill whatever position is still needed

Others - Will read the by-laws Article VI: (Officers) and will message in group chat or will communicate at next meeting what positions they are willing to fill.

Insurance, Bank and Status

- Madison S. and Susan N. agreed to do research on insurance needs for a club, acquire Bank information and best legal status required to have the club.

Fundraising and Money Goals

It was agreed that the following were some good choices to earn funds:

- Online raffles
- Seminars at Linda's – (Linda agreed to hold the events at her place at no charge to the group.
- Fun matches or run-throughs "show and go". – Problem would be where to hold it without it costing us.
- Heather stated trying to teach classes would be difficult as we don't have a place and would cause more work on just the few members we have but suggested maybe doing online spot light sessions.

Social Media

- It was discussed that we will be required to have a Social Media account per UKC rules and we will need a website. Heather will start the FB account and will open it to Hannah P., Alexis A., Susan N. for access to make posts.

Future Meetings

UKC requires that clubs hold meetings at least once every 3 months but our group decided we would like to have meetings once a month to keep us engaged and moving forward with our goals at this time. It was decided to hold them on the last Friday of every month.

Next Meeting

To be held via Zoom on June 27th, 2025 at 6pm.
