Want to skip some assignments? Here's your chance! Get ahead in any course you have with Mrs. Sjogren (BOS or Accounting) and earn a reward with the Beat the Deadline Challenge.

To qualify, by November 29:
- Be at least 90% complete in the course
- Have an overall grade of 60% or higher
- Submit this form: Form Link

Pick ONE reward:
- Excuse 2 assignments (semester class) or 1 assignment (quarter class). Video assignments not included.
- Bonus points: 15 (semester class) or 8 (quarter class)

Heads up: submitting the form doesn't automatically qualify you. I'll check your progress and grade before applying your reward.

Get ahead and give yourself some breathing room before the holidays. I think you can do it!
