Review Question: How was representation determined under the Articles of Confederation?

Directions: Use the following documents to fill in the chart below.

	New Jersey Plan	**Virginia Plan**
Branches of government		
Number of houses in the legislature		
How representatives are selected		
Slavery and Representation		

Wrap-Up Questions: Using the documents and Fact Sheets, answer the following questions.

1. Read the first "Resolve" in each document and "Resolve 18" in the Virginia Plan. What is the difference in focus between the two documents?
2. What states would support each plan and why is that significant?
3. Why would northern states want to count enslaved persons as three-fifths for the purpose of representation? What about southern states?
