

[Intro] G G

[Verse 1]

G Am C G
 Rows and flows of angel hair
 D Em
 And ice cream castles in the air
 C Am
 And feather canyons everywhere,
 C D
 I've looked at clouds that way.
 G C G
 But now they only block the sun,
 D Em
 They rain and snow on everyone.
 C Am
 So many things I would have done
 C D
 But clouds got in my way.

[Chorus]

G D Em G
 I've looked at clouds from both sides now,
 C G C D
 From up and down, and still somehow
 G C D Em
 It's clouds illusions I recall.
 Am D G
 I really don't know clouds at all.

[Verse 2]

G Am C G
 Moons and Junes and Ferris wheels,
 D Em
 The dizzy dancing way you feel
 C Am
 As every fairy tale comes real;

C D
 I've looked at love that way.
 G C G
 But now it's just another show,
 D Em
 You leave 'em laughing when you go
 C Am
 And if you care, don't let them know
 C D
 Don't give yourself away.

[Chorus]

G D Em G
 I've looked at love from both sides now,
 C G C D
 From give and take, and still somehow
 G C D Em
 It's love's illusions I recall.
 Am D G
 I really don't know love at all.

[Verse 3]

G Am C G
 Tears and fears and feeling proud
 D Em
 To say "I love you" right out loud,
 C Am
 Dreams and schemes and circus crowds,
 C D
 I've looked at life that way.
 G C G
 But now old friends, they're acting strange,
 D Em
 They shake their heads, they say I've
 changed.

C Am
 Well, something's lost but something's gained
 C D
 In living every day.

[Chorus]

G D Em G
 I've looked at life from both sides now,
 C G C D
 From win and lose, and still somehow
 G C D Em
 It's life's illusions I recall.
 Am D
 I really don't know life
 G D Em G
 I've looked at life from both sides now,
 C G C D
 From win and lose, and still somehow
 G C D Em
 It's life's illusions I recall.
 Am D G
 I really don't know life at all
