Subject: Adult Meal Pricing in School Year 2025-2026

The purpose of this memo is in support of School Food Services in maintaining compliance with the requirements for revenue from the sale of non-program foods, specifically the revenue from meals served to non-program adults.

Per Food and Nutrition Services Instruction 782-5 REV.1 Schools must price adults meals so that adult payments are sufficient to cover the cost of meals, including the value of donated foods (USDA Foods) used in the production of adult meals.

Our school is opting into the waiver to operate the SFSP for the SY 25-26 and operating a non-pricing program, since students will not be paying for reimbursable meals. The amount of reimbursement received for a free meal under this option is \$5.02 for Lunch and \$2.94 for Breakfast.

So for the SY 25-26 our adult meals are as follows:

- Breakfast: **\$2.94**
- Lunch: **\$5.02**

Please contact Susie Allen 928-642-1234 with any questions regarding this guidance from ADE.

Thank You for your support.
