Testing Dates -- Check the **AP Student Portal** for when your specific exams occur.

Note about Illness -- If you have any symptoms or feel unwell, do not come to in-person testing. You can arrange for an alternative testing time and/or makeup exam. Please email Ms. Elaine Reid to let her know not to expect you for that date and to work on arranging a makeup time – elaine_reid@hcpss.org. Let's avoid spreading any illness.

Arrival/Pick-Up Times– All students should arrive no later than 7:30am for an 8am exam and 11:30am for a 12pm exam.

If you need to be picked up, all morning exams should be finished by 11:30 am, and all afternoon exams should be finished by 4:00pm.

Entrance Protocols-- The exams will occur either in the **Other Barn in the Oakland Mills Shopping Center** or in the **Oakland Mills High School TV Studio** through the Media Center.

Before entering the test, you will be asked to complete a **COVID screening document** and will be asked to turn in your **cell phones and smart watches** (labeled with your name on them).

Parking/Parent Drop-Off –

The Other Barn - Students should park in the parking lot in the Oakland Mills Village Center if you are testing in the Other Barn. Maintain social distance while waiting to get into the lobby.

If you are testing in school, students should park in the student parking lot then enter through the front door. Parents should drop off students in front of the school. After parking/drop-off, walk to the Media Center. If you are testing in the afternoon and are not in school in the morning, you must sign in in the front office.

If you plan on eating breakfast, this must be cleaned up before the test starts.

Read below for a list of items to bring and items to avoid.

Be sure to bring the following:

- A mask that covers your mouth and nose. You will need to wear this within the building at all times.
- Pencils and black or blue ink pens.
- Photo ID – government issued or school ID.
- A water-bottle

- For **AP Biology, Calculus, Chemistry, Physics, or Statistics**, you may bring up to two calculators. Visit [the College Board website](#) and click on the link for their course for the specific calculator policy.
- For **AP Spanish**, bring your **fully-charged** school-issued Chromebook. You will need this for the speaking/sight-singing portions of the exam.
- If you are taking two exams in the same day, bring a lunch -- or have a free school lunch.

Prohibited Items:

- **Phones and Smart Watches are not permitted.** Additionally, watches that beep or have alarms are prohibited. If you bring either of these items, they will be bagged, labeled, and kept with Ms. Comberiate, AP Coordinator, for the duration of the test.
 - If you bring your cell phone or smart watch, you will submit it to Ms. Comberiate before testing, and will retrieve it after testing.
- You are discouraged from bringing backpacks and other personal belongings. If you need to bring something, it will be kept in the front of the testing room.
- No food or drink is allowed in the testing area. If you have two tests on the same day, your lunch will be kept in the front of the testing room. Students who have two tests on the same day may also receive the free school lunch -- please contact Ms. Comberiate for details.

If you are registered for a Digital Test at home, scroll down to the next page for Important information about Digital Testing. Read the instructions carefully. Be sure to set your chromebook up 3 days before the test.

Good luck, Scorpions!

2021 AP Digital Testing Application

The College Board is offering digital versions of 25 exams. Digital exams must be taken at their scheduled time slot of 12pm and 4pm Eastern Standard Time. Due to the timing of the exams and capacity for at school testing, HCPSS is requiring that digital test takers participate in the exam from home. If a student is unable to test at home due to distractions or home internet concerns, schools will work with families to determine options for testing.

Required Steps to Prepare for the Digital Exam

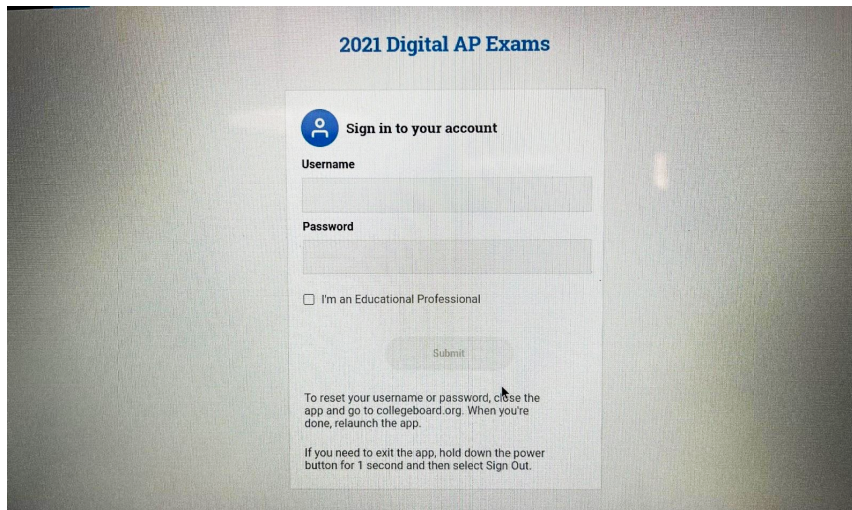

Step 1 - Check App Install - Complete Now

HCPSS Chromebook App - Login

- A. Navigate to the “Sign in to your Chromebook” screen by either restarting or logging out of your HCPSS Chromebook
- B. Click on the grid menu labeled “Apps” and select the “2021 Digital AP Exams” item

Note: In some cases the App may temporarily show as a URL <https://fo67uej...> . Click the URL and the icon will update to 2021 Digital AP Exams on the next login.

- C. Login with your AP Portal credentials

Submit

To reset your username or password, close the app and go to collegeboard.org. When you're done, relaunch the app.

If you need to exit the app, hold down the power button for 1 second and then select Sign Out.

- D. Click on Practice from the left menu and all applicable practice tests will show ([Practice Details](#))

Note: Practice tests are not all available until April 12th. "My Exams" will not populate until 5 days before the exam date.

Personal Windows or Mac Device - Install

The HCPSS recommends using your HCPSS issued Chromebook for testing. If you want to use your personal Windows or Mac computer, you will be responsible for manually installing the application and supporting any installation issues that may occur. Mobile devices (including iPads) and personal Chromebooks do not work with the 2021 AP Digital Testing App.

Visit <https://download.app.collegeboard.org/> if you want to install the application on your personal computer.

Step 2 - 4 - Practice, Exam Setup, and Check-In

Please visit [Four Steps Before Digital Testing](#) for full details on steps 2-4. All steps are required before testing can be successfully completed.

Digital Exam Schedule with Setup and Check Ins

Please check your AP Portal to confirm the registration window linked to your exam. If adjustments are needed, please contact your school's AP Coordinator.
