

# Community Engagement Library Program

**Title:**

Handbook of Community-Based Participatory Research

**Author:**

By Steven S. Coughlin (Editor), Selina A. Smith (Editor), Maria E. Fernandez (Editor), 2017

**ISBN:**

0190652233

**Synopsis:**

This book codifies the methods and theories of this research approach and articulates an expansive vision of health that includes gender equality, safe and adequate housing, and freedom from violence. Topic-based chapters apply the theory and methods of CBPR to real world problems affecting women, ethnic and racial minorities, and immigrant communities such as sexual violence, exposure to environmental toxins, and lack of access to preventive care as well as suggesting future directions for effective, culturally sensitive research.
