This scholarship is awarded based on merit as defined in ways other than Class Rank, GPA or Test Scores. While we do ask for those metrics, they play a very minor role in the Committee's selection of Gailles Scholarship recipients.

Successful applicants for the Gailles Scholarship(s) must demonstrate strong traits that exemplify high moral character: *Courage, honesty, reliability, truthfulness, perseverance, self-respect, and self-control.*

On a separate page(s), please provide a written explanation describing your high moral character, perhaps giving examples of when you have been "tested" in this area.

Choose TWO (2) of the above-mentioned traits you feel best represent you and communicate to the scholarship committee any information you deem important in evaluating you as an individual and selecting you as a recipient of this scholarship.

Submit this Application by email, complete with:

- **Written explanation of your high moral character (as mentioned above)**
- **Three (3) letters of reference (two school personnel, one from your community)**
- **Transcript**
