Membership Application Form: New member(s)

The objectives of Coal Point Progress Association (CPPA) are, in summary, to enhance the natural environment in and around Coal Point, and to advance community spirit and sustainability. We work closely with the Toronto Area Sustainable Neighbourhood Group (TASNG). We welcome all new members who care about the natural environment and its sustainability.

New members must be nominated by one existing member and seconded by another, after which membership is approved or rejected by the committee. If you can have the form nominated and/or seconded by existing members please do so, otherwise Committee members will usually nominate and second.

We offer individual or household memberships, for either 1 year or 5-year terms. (A household membership covers all adults plus children 16 or over living at the same address.) Membership fees are:

	Individual	Household
1 Year	\$15	\$25
5 Years	\$60	\$100

The membership year runs to the calendar year and applications submitted after 30 September cover the following year. To apply, please complete and submit this form (add extra pages as required) as detailed in the instructions below, and make the appropriate payment. Payment will be refunded if application is not approved. A single form can cover either one household, or one individual. If you need help completing this form please contact any committee member.
