Article	Abstract
<b>Article History :</b> Received : month, date and year Reviewed : Accepted : Published : <b>Keywords:</b> <i>consists of 3 to 5 words</i>	Abstracts are made in two languages, namely Indonesian and English. The maximum abstract contains 150-200 words. In the abstract section made in the English version. The abstract contains a brief description of the research problem and objectives, methods used, research results and conclusions. Especially for conceptual articles or thoughts of figures, the abstract contains the main points of the problem or issue discussed as well as, implications or findings of the problems discussed, how the problem is analyzed and important points of answers to the problems studied.

**INTRODUCTION**

This section is written using Times New Roman font size 11 (1.0). The introduction is written without preceding the numbering system A. or 1. Likewise, the titles of other sections are written in the same way. The introduction contains an explanation and urgency of the current research, research objectives and a summary of theoretical studies, gaps and novelty.

**RESEARCH METHOD**

This section contains the methods used in the research. Authors are encouraged to include detailed and applicable research methods, including; 1) Type of research (qualitative, quantitative, or mixed-method), 2) data sources / population and samples, 3) Data collection techniques, 4) Data analysis techniques.

**RESULT AND DISCUSSION**

This section consists of: 1) The main relevant theory used (If Literature Review), 2) Presentation of research data in descriptive form and or tables, graphs, or diagrams (if any), 3) Interpretation of the data found, 4) Comparison with previous research, 5) Research implications.

**Sub-Discussion** (for example)

Grafik

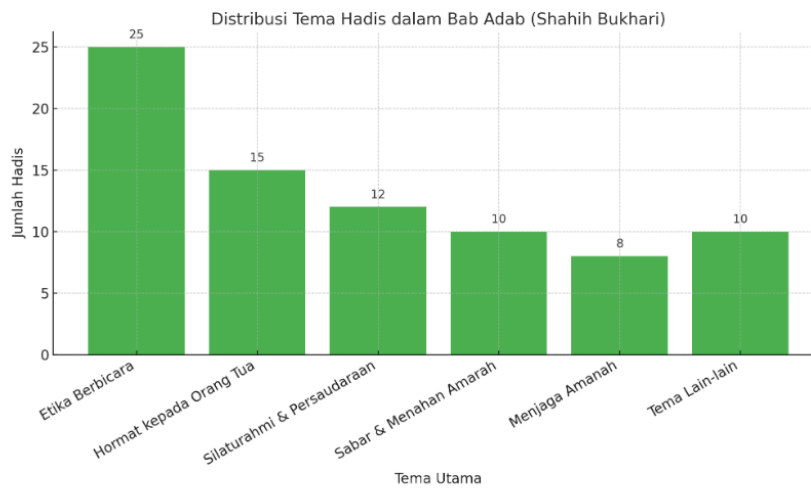

Table.

**Table 1. Distribution of Hadith Themes in Sahih Bukhari in the Chapter on Manners**

Main Theme	Number of Traditions	Persentation (%)	Hadith Example (Number)
Speaking Etiquette	25	31,3	5678, 5682, 5690
Respect for Parents	15	18,8	5976, 5980, 5982
Silaturahmi and Brotherhood	12	15,0	6010, 6015, 6022
Patience and restraint	10	12,5	6050, 6055
Keeping the Trust	8	10,0	6100, 6103
Miscellaneous Themes	10	12,5	6120, 6122, 6130
<b>Total</b>	<b>80</b>	<b>100</b>	

**Source:** *The results of the author's search for the Book of Shahih Bukhari, Chapter al-Adab (Darul Fikr edition, 2020).*

After the table or graph should be an analytical description such as :

Table 1 shows that the theme of speech etiquette is the most dominant topic in the Chapter of Adab of Sahih Bukhari, accounting for 31.3% of the total traditions. This shows the importance of civilized communication in Islamic teachings, especially in daily social life.

**CONCLUSION**

This section contains the main conclusions based on the research results, research implications and recommendations for further research.

**REFERENCES**

This section is written using a reference management application such as zotero or mendeley with APA Stayle 7th
