

Walkthrough, kinda

Walkthrough, kinda.

Stats:

- **Cash:** your money, duh.laney
- **Energy:** your energy, duh.
- **Fitness:**
your max energy, but usually, higher fitness means faster love gains.
- **Intelligence:**
as the name implies.
- **Sex skills:**
higher sex skills means faster normal lust gains. Can be increased by having sex.
- **Stress:**
If the stress is high enough, you'll start losing fitness. You can even die from it. Working and going through an emotionally difficult situation will increase your stress level.

You should do more relaxing stuff to reduce them, eg, a walk in the park. Having sex reduces stress as well, and it is the biggest reliever.
- **Love:**

The girl's love from you. This will increase when you interact normally with them.

- **Lust:**

The girl's lust, which will increase when you do sexual things to them. Everyday, your lust resets to "base_lust". Any sex action/sexual dialogs will increase lust.

- **Base lust:**

Lust, but doesn't reset every day. It's the girl's baseline lust amount for you. You can increase this by having sex with the girl or doing their events.

- **Corruption:**

The higher the corruption, the dirtier the things the girls are willing to do. At least that's the idea with the corruption stat, but it hasn't been used much.

Allie:

1. Wait for her to move it. Set to be a month after the game starts
2. Continue talking to her when you cross paths with her in the apartment's hallway at 7 AM - 8 AM during the weekdays (minus Wednesday). You can only talk to her once a day at this point. Do this 5 times, and then she'll finally let you come into the house.
3. Go to Allie and Eethan's house during the weekends to meet Eethan and introduce yourself to him (this is necessary).
4. After you get access to Allie's house, increase your love to at least 20. Then a new option will be available when talking to her. "Talk to Allie about her relationship with Eethan."
5. Wait at least a week, then talk to her again, and there's going to be another option to talk about Eethan.

#. [end for first ever release version]

6. Wait for a day and talk to her about the moaning.
7. Wait for a day and talk to her about getting a check-up.
8. Wait until next Monday, and ask about the status of the check-up.
9. Wait a day, and talk about Eethan's sperms.
10. Wait 2 days, and then tell Allie that you "got a hold of the guy."
11. The next day, you can tell Allie that you can start the massage.
12. After waiting a day, you can start the massage, but only when it's not on the weekend and the time is not past 6 pm.
13. Do the massage.
14. The next day, you can have a talk about the sex and how it's completely wrong, but you'll convince her again to let you massage her.
15. How far she lets you go depends on how much lust she has. (First check is 20 lust, second is 25 lust, third is 30 lust). As of update ver0.03, the lust gain during Allie's massage is 5 points per massage, up to 25. This lust gain will happen as you finish the massage (no sex in the middle, meaning don't click the "Fuck" button).
16. After you get past all three checks, you'll be able to have sex every time you give Allie a massage.
17. The massage has a slight variation at the start and ending, depending on how much lust Allie has.

#. [END OF VER 0.02's RELEASE]

18. Go to the kitchen in the morning, before 9am to catch Allie in the kitchen. You can surprise her, and do a little groping. A quickie (sex) will be possible as long as Eethan is not present.

19. After completing no.18, you can talk to Allie and ask for her phone number.

20. When you have Allie's number, you can contact her on the PHONE (nonexistent) interface.

21. Invite her over. She will only hang out with you once a day, when Eethan isn't around, and only on weekdays, between 8AM to 5PM.

22. Invite her to your place 3 times. On the third time, you can ask her if she "Wanna have some fun?" which leads to sex.

23. Invite her over again, and have sex two more times, for a total of three times.

24. Once this becomes a usual thing (3+ times having sex at your place), she'll start becoming more daring when she hangs out with you. **Warning: FEET STUFF**, but rather mild, and unavoidable. You need to do this at least once. Whether she initiates (doing the feet stuff) or not depends on a combination of RNG and lust (higher lust means higher chance of this happening).

25. After you do the foot stuff, invite her over one final time. You don't have to do anything here and can finish the hangout without having sex. This is just to flag a variable, to mark this event as completed.

26. At this point, you've been fucking her and cumming outside, so now you have to go on a special date, which will allow you to do exactly that.

27. Open the phone interface, and choose "Go on a date", which will only be available after the foot stuff is completed.

28. Requirements: A car, weekdays, 10AM to 3PM. The goal is to finish with a high date score plus finishing the date before 4PM, if you want to end the date with sex. Getting a perfect score will allow you to end the date with sex regardless of the time. It's better if you ask her as early in the day as possible. If you want to achieve a perfect score, buy attire number **4** from the clothing store.

29. The correct choices for the date:

1. For the clothes, pick option 2/3 or 4. You can get them at the clothing store at the mall.
2. Walk next to her.
3. Open the door for her.

4. Shorter route (20 minutes, 0 date score), Scenic route (40 minutes, 1 date score). If it's early, you can pick either, but the shorter route is the safe option.
5. The winery.
6. At the winery, pick "I'm no expert, but I think...-".
7. Then pick "This is my kind of wine...-".
8. Then drink until you've had 6 drinks (max 7).
9. At the beach, pick "I never realised how calming the sound of the waves could be...-".
10. Then pick "Of course not. Why?"
11. Afterwards, pick "If tonight was a story...-".
12. Finally, pick "Do you want to... come over for a quick drink?"
13. Click "Into the apartment unit you go", and everything from here is a straight path.

*It doesn't matter if you "fail" the date, you can always repeat it, but only once a week.

#. [end for version 0.03]

30. After this, you can go and talk to Allie about the date. At the end of this talk, you'll be having sex with her, where you can choose to cum inside. When you want to cum inside, you'll have to choose the correct dialog.

- "I shouldn't let you" == "give in..."
- "You shouldn't... only Eethan..." == "it doesn't matter if..."
- "You could get me pregnant..." == "You wanted to get pregnant anyway, right?"
- "You can't..." == "But I really, really, like really..."

31. About this event:

- The event will only be completed if you've cum inside her 3 (or was it 4?) times.
- This scene can be repeated by clicking on "flirt" when you interact with her. (in version 0.10 and above, you'll only get the creampie sex scenes when flirting with her in their bedroom.)

· When she's ovulating, she won't let you fuck her, unless you've already completed this event.

32. You'll know that this event is complete when she doesn't stop you from cumming inside her anymore.

33. The next event is to fuck her when she's on her fertile days. Allie is on her fertile period, 5 plus/minus days after/before ovulation, meaning if the ovulation date is, for example, on the 14th, her fertile period is between 9 - 19th.

34. Flirt with her again, but during her ovulation period, which is on the 2nd, and she'll say that it's not a good day.

35. Pick the option. "Maybe we can do it without fucking." The only thing you have to worry about is cumming prematurely, but as long as your sex skills are above 15, there's a good chance that you won't. I don't know how I want to gamify this particular event yet, so for now, it's just a straight line to the end.

Allie can get pregnant, but there's no event for it yet, so her pregnancy will be frozen, hence no announcement or whatever. Her next events should focus on that.

#. [end for version 0.04]

36. Start Allie's Event 8.

- Requirement: Complete Allie's Event 7.

37. You can now have secret sex with Allie when Eethan is around. However, Eethan will start searching for Allie during these sessions, so you'll need to distract him. To do this, go to your computer and purchase a "One year subscription for Sports," then give it to him.

38. Available locations for sneaky sex:

- Kitchen on weekends
- Bedroom on weekends
- Bedroom on weekdays (12PM), when Allie is on the phone with Eethan
- Booty call when Eethan is home, but you invite Allie over anyway (warning: videos with sound)

39. End of Event 8.

40. Start Allie's Event 9: Allie's Pregnancy**

- Requirement: Get Allie pregnant. Once she gets pregnant, it could take up to a maximum of 14 days before she realizes it.

41. Allie will send you a message to hang out with her. The event will start when you talk to her and discover that she's pregnant.

42. About a week after Allie finds out she's pregnant, she and Eethan will visit you as you try to leave the house. You can skip this encounter by not coming home, but there's no reason to do so.

43. The pregnancy will progress, and it will take 90 days for Allie to give birth.

44. Five days before her due date, Eethan will send you a message saying "Allie's about to Pop." You can visit her at the hospital after receiving this message, or skip it.

45. After Allie gives birth, she'll send you a text to let you know. You can visit her at the hospital to name the baby, or skip this step.

46. Allie will be in the hospital for a few days before returning home. During this time, you won't be able to access their house/apartment.

47. You'll know when Allie is home because you'll be able to enter their apartment unit again.

48. To complete the event, go to the baby room and look at the baby.

*Allie can only get pregnant once at this point.

#. [End for version 0.05]

49. Start Allie's Event 10:

- This isn't a story event but rather a repeatable version of her Event 9. This stores the details of her active pregnancies and the names of your babies (maximum of 3). If she's pregnant, you'll see that the Event 10 status is marked as "Active" in green instead of red.

50. After completing Allie's Event 9, you'll be able to ask her to go out with you, where you could invite her for a quick stop at the hotel for some funsies. This is only possible if it's on the weekdays, and Eethan is not home.

#. [End for version 0.06]

#. [Start of content for version 0.10]

51. Start Allie's Event 11:

- You'll visit Eethan at his workplace, meet his colleagues, and then go to church.

- Requirement: Allie's Event 9 must be completed.
- Rewards: Unlocks Pristine's route and a bonus sex scene with Allie (only available through this event). Also unlocks the fellowship meeting at church, which significantly reduces stress depending on how many group points you earn during the five fellowship rounds.

52. Talk to Allie in her house.

- Time: Weekdays, 8am-12pm.
- Choose the "You see a lunchbox lying around" option.
- This triggers the event where you deliver the lunchbox to Eethan.

53. Report back to Allie after visiting the school

54. You can now attend Sunday service at church, followed by fellowship with Eethan.

- You can also skip the service and go straight to the fellowship.
- Sunday Service: 12pm-3pm
- Fellowship: 3pm-4pm, in the fellowship room at the church.

55. About the fellowship rounds:

- There are five rounds.
- To get the best outcome:
 - Earn 3 points for Eethan to unlock the option to get him drunk at the city center and discover a clue about Pristine. This is necessary to convince her to back off from Eethan.
 - Earn 9 points for Pristine to keep her route open.
- You can check your progress in Allie's event tracker.
- Any extra points go into the fellowship group. These determine how much stress is reduced when you attend fellowship after this event.

56. Hang out with Eethan by finding him in the fellowship room after the meeting ends. Ask what he's doing and go get a beer with him.

- You must hang out with him at least twice.
- This activity is repeatable, as long as you haven't advanced Pristine's story too far.
- You can get him drunk after earning 3 or more points with him during fellowship.

57. After completing the five fellowship rounds, Pristine will mention that she finds your ideas interesting. She'll invite you to a one-on-one spiritual discussion at the city center. You can choose any location to bring her. Choosing the high-end restaurant gives a slight reward.

58. During your conversation with Pristine, choose "Talk about Eethan."

- Try to convince her that Eethan has romantic feelings for her and that she shouldn't rely on him emotionally.
- She won't believe you unless you have the clue from your hangout with Eethan.
- If you fail to do this, you won't get the bonus sex scene with Allie at the end.

59. Continue with the spiritual discussion—there are four rounds with no choices.

- Pristine will then decide whether she's open to your help.
- Success depends on her fellowship points. If they're over 9 and you told her to back off from Eethan, she'll say yes.
- If you didn't tell her to back off from Eethan, she'll say no regardless of points because she checks with Eethan first, and he convinces her otherwise. This closes off her route.

60. To finish the event, report back to Allie.

- If you convinced Pristine to back off from Eethan, Allie rewards you with a sex scene. This becomes repeatable every Sunday when hanging out with a drunk Eethan.

- If not, there's no reward scene.

61. End of Allie's Event 11.

62. Start Allie's Event 11:

- An unexpected guest arrives.
- Requirement: Allie's Event 9 must be completed.
- Sex Scene: 1

63. This event triggers randomly (9/100 chance) but is easy to activate.

- Go to Allie's apartment hallway repeatedly.
- Use the "B" key to quickly press the "Back" button.
- To check if it triggered, go to the front of the apartment.
- Look for: "Enter apartment (1:12)" between 12pm-8pm.

64. This event follows a linear path.

- The only variable is your dinner choice.
- Pick the Scallop to unlock the full scene later in the event.

65. End of Allie's Event 12.

- Afterward, you can talk to Allie and select "Talk about..." to learn more about the guest.

Lila:

1. Go to the mall during the day. When you exit the mall, you'll get a random chance to meet Lila.
2. If you talk to her, you'll get to go on a coffee date at a nearby coffee shop.
3. At the coffee shop, you'll have a conversation with Lila, and you'll have to choose some dialogs. The maximum score will be 8, but this isn't important for now. It's just the maximum love gained from your first encounter.
4. At the end of the first date, she will give you her number.
5. You need a phone to call and invite her to the next date. Buy one if you don't have it. It's at the mall.
6. The phone interface can only be accessed from your apartment.
7. Call her and select "Wanna go on a date?" The next date is at the park on Saturday, at 3pm. If you miss this, she will be mad at you.
8. Go to the park on Saturday, between 3pm and 5pm, and click "Go on a date with Lila."
9. At the end of the date, you'll get a few options. If her love isn't high enough, nothing will happen on this date. But if you choose,
 - a. "So... your place or mine" (adds lust)
(if not enough requirements)
 - Then "You fuckin-bitch...", Lila will become unavailable afterwards.
 - Then "I respect your opinion...", you can go on a date with Lila again next Saturday.
 - b. "Do you want me to drop you off?" (adds love)
 - if love isn't high enough (lt 20), she'll say no.
 - if love is high enough (gte 20), she'll say yes and show you where her house is.

c. "I'll see you later then, alligator." (none)

-if love isn't high enough (lt 20), she'll say goodbye.

-if love is high enough (gte 20), she'll say

"Can you drop me off" and show you where her house is.

10. After multiple dates, she'll eventually let you enter her house after the date.

11. Keep going on dates and hanging out in her house until you get to kiss her, which will lead to sex.

12. After sex, you can talk about the direction of your relationship. **WARNING:** if you ask to be FWB but don't have enough love (50 minimum) or sex skills (50 minimum), Lila will become unavailable after she rejects you.

#. [end for version 0.03]

13. You need to go and do more activities with Lila (only possible once a day). Do this by talking with her, and she'll ask you if you want to go out with her. You need to:

- Go on errands with her **twice**.
- Go play billiards/swim at the pool **twice**.

14. After that, talk to Lila again, she'll ask you to hang out.

15. Wait at least one day, then you can give her your answer, by talking to her and selecting "Give her your response." Just pick whatever you think is the right answer.

15. Wait another day, then go to her house again. This time, you'll see that Lila is having guests over. To get the highest score during the "questioning."

- For Love's question with the top answer.
- For Don's question, pick the bottom answer.
- For the masked woman's question, pick the bottom answer.
- For Ross's question, pick the bottom answer.

Eva:

1. Will be available once you enrol into the university, which starts in February.
2. Attend your morning class which starts at 8 AM. Eva will arrive late. You'll have to wait after the class is over before you can talk to her.
3. Introduce yourself to her. After this, you can talk to Eva after the 8AM class and the 2PM class (no 2 pm class for Eva on Friday.)
4. Keep talking to her to increase her love. (The higher your fitness the faster this will be.)
5. When her love reaches 10, you can ask her if she's single.
6. At love = 10, you can start giving her gifts, which should help increase her love even faster.
7. At love = 20, the interaction starts looking a little bit different.
8. At love = 30, you can start being slick and touch her face. Don't worry about what options to choose here.
9. Keep touching her face, 3 more times. After the third time, she'll start to get suspicious. Your answer here doesn't matter other than stat gains.

#. [end for first ever release version]

10. After this you can invite her to your house. (Repeatable)
11. Watch a movie with her, or play a game.
12. The next day, ask for her number when you talk to her after class. You'll find out that she doesn't have a phone. You should go to the mall and buy her one (at the electronic store).
13. (Optional) Talk to her again after class, ask about her number, and then give her the phone. You can now call Eva and invite her to your house. She will not be available on Friday, Saturday, and Sunday, and she won't come over if it's past 3pm.

14. To move the story, you need to play chess with her. Let her beat you 5 times, and she must have 5 more wins than you. After she wins five times, she'll accept if you propose a bet.

15. Once the bet is on, you can start winning and getting rewards, where the scenes will evolve for more and more daring requests.

16. If Eva won, what she asks for will depend on how far you've gotten with her with your own request. E.g. if she hasn't seen your dick, she won't ask to see it when she wins. The furthest she will go (if sex isn't possible yet) is to have you lick her pussy, which is at "Eva ask for... (4)".

17. When you win, at "get your reward (5)", you have to pass some lust checks to move on to the next reward/event. The lust checks are 20, 24, 28, and 32.

18. "Get your reward (5)" will count as complete when you finally ejaculate, then the next one is "Get your reward (5+) FINAL"

19. "Get your reward (5+) FINAL" is just normal sex. After completing this once, you can ask Eva to have sex with you straight away, by clicking "What about we... fuck instead" and not have her freak out.

20. At this point, there's 2 variations for the sex scenes. Monday, Wednesday and Friday show sex variation 1, and Tuesday and Thursday shows sex variation 2.

#. [End for version 0.03]

21. Start Eva's event 6.

- You can ask Eva about her fiancé Lukas, and she'll invite you to her house to meet him. You can do this by talking with her after class and picking the option "Ask more about Lukas"

22. When you meet Lukas, you have to select some dialogs. Depending on how well you answered, will determine the schedule on which Lukas will allow you to hang out at their house.

23. For the questions:

- "WTF... who are you" = "I'm a fellow stocks and..."
- "And you said that you want to learn more about online trading? Why?" = financial independence

- "Interesting. Now, what do you think is the most important thing to keep in mind when trading?" = being patient
- "That's bold, but what would you do if you made a big loss on a trade?" = step back
- "What an answer! If you had \$10,000 to invest right now, what would you do first?" = diversify
- "I see... Last question. My baby girl here, (grabs Eva by her waist), she's beautiful isn't she." = she's great

24. Start Eva's event 5.

- You can go to the park with Eva. You need to find her outside of the university (check her schedule to see when she'll be outside the university), and click on the "You see Eva" button. From there, pick "Go to the park with her".

25. When you get into the Over, to save money, pick "Threaten to cancel the ride" twice at the cost of Eva's love. If not, just pay the driver 50 bucks or 80.

26. At the park, pick "Embrace nature even more" to suggest outdoor sex to Eva.

27. To dispel her worries, pick:

- That's not a problem, we're just having a picnic, right?
- Even better, it'll make you wet, like soaking wet.
- We never used one, so why should we start now?
- Don't worry, we can always find another spot if this one doesn't work.

28. After you dispel her worries, there's another minigame you have to tackle, which is a navigation minigame. If you want to try solving this on your own, there's a map sold at the Pawnshop that shows the map of the park. The steps are:

1. Go south (start)
2. West
3. North
4. East
5. East
6. North
7. West (the background picture should change here)
8. South
9. West
10. North
11. West
12. South
13. East
14. Goal (end)

· If the frogs/crickets are too noisy, you can get some bug repellent at the mall.

29. Start of Eva's Event 9: Sex in Eva and Lukas's bedroom (4PM) while Lukas is at home.

30. This event is completed once you've gone through it once (must cum).

- Activate this event by going to their bedroom at 4pm when Eva is there and starts messing with her.
- End of Eva's event 9

31. Start of Eva's Event 10. Go on a hike with Eva on a trail next to the beach.

- Requirement: Eva's event 6 must be completed. This event will be completed once you've gone through it once (must cum).
- Activate this event by interacting with her and selecting "Go hiking", available only before 4pm.
- She'll ask Lukas to tag along, but he won't because he dislikes bugs.
- End of Eva's event 10.

32. Start of Eva's event 11. Going to the bar with Eva and Lukas.

- Requirement: Eva's event 6 must be completed.
- If you invite her while she's outside the university, it will just be the two of you.
- If you invite her at home, she'll ask Lukas if he wants to come. Lukas will only agree when he's not working, usually at 6PM on most days.

33. How to start the event:

- Interact with Eva and select "Go to the bar."
- You can only invite her sometime between 7AM - 10PM.
- There are two main variations: one where you go alone with Eva and another where Lukas joins.

34. Eva's variation:

- If you go to the bar with Eva, you can watch sports on the big TV.
- She'll propose a bet on which team will win. The result is random, but the RED team has a 60% chance of winning over the BLUE team.
- If you lose, you pay \$20. If you win, she'll offer to pay another way. If you agree, she'll give you a hand-job/blowjob in the restroom. If not, she'll pay you 20.
- You can't have penetrative sex here unless you've completed the Lukas bar variation, won the big bet, and returned the money.

35. Lukas' variation:

- You can get Lukas to tag along if you invite Eva at home when Lukas is not working, usually at 6PM.
- Similar to Eva's variation, you can watch the soccer match on TV and place bets.
- Big bet (if not completed): Lukas will bet on Eva's behalf with a large sum of money. The RED team still has a 60% chance of winning (not applicable for the big bet, blue always wins here).
 - If you take it:
 - You can only win or lose this once. Winning grants \$10,000, losing costs \$10,000.
 - If you lose, the event ends, no sneaky sex, you just lose money.
 - Choose [Team blue](#) to win the bet.
 - If you win, Eva will signal to go to the restroom.
 - She'll ask for you to return the money to Lukas.
 - If you agree, you unlock penetration sex in the restroom and "sneaky sex" when going to the bar with Lukas and Eva in the future, and unlock PIV sex in the bathroom.
 - If you refuse, you keep the \$10,000, but don't unlock sneaky sex or PIV sex. Then the next bet will only be \$50.
 - If you don't take the big bet:
 - You can bet 50 instead. The result will be randomized (60 percent chance or red winning).
 - The \$10,000 bet will remain available until taken.

36. End of Eva's event 11.

37. Start of Eva's event 12. She stays over at your place.

- Requirement: Eva's event 9, 10, and 11 must be completed.
- If you invite her on a Friday, she can stay for two days. On other weekdays, she'll stay for one night if she has class the next day.

38. How to start the event:

- Use your phone to invite Eva over (not available on weekends).
- Once she arrives (at 3PM, go to your hallway and click the "Eva is here" button), choose:
 - Let's watch a movie." → "Put your arms around her shoulder" → "Lean in for a kiss" → "Bring this to the bedroom" .
- If you haven't completed Events 9, 10, and 11, she won't stay over. If you have, she'll consider it but worry about what to tell Lukas.
- You can call Chloe or Allie for help. If you don't have them (not yet unlocked), the event won't progress.
- It doesn't matter who you choose between Allie and Chloe, it's just a matter of preference, though I did put more work in the Chloe option.
- Once they help Eva establish an excuse, she'll be able to stay over in the future without needing assistance.

39. Completion and Activities:

- If you leave the house, the event will be completed and end.
- When you wake up the next day, choose "What if... we hangout here all day?" (only available if the day is a weekend)
- Here are some list of activities you can do while Eva stays over:
 - 1) Eva joined you for a bath (any time before 7PM) +
 - 2) Eva video called with Lukas +

#. Start of Eva's event 15 (Pregnancy)

- Requirements:
 - Must have completed all other Eva events
 - Need enough cash: minimum \$8000
 - Must have unlocked creampie scenes
- Warnings:
 1. Finish her other events before starting this one, or risk locking them out.
 2. If you don't have at least \$8000, you will lose Eva.
 3. Choosing the "Buy House" route locks out some scenes (e.g., the office scene with Lukas).

#. Steps:

#. Get Eva pregnant. She's on the pill, but her first pregnancy is almost guaranteed (within 7-14 days after conception, the event starts).

#. When the event is active, she'll appear at various locations:

- Exiting your apartment
- Entering the apartment building
- Entering the university
- In front of the university at 5 PM
- Via phone (text/call)
- When you interact with her

#. You can:

- Give her money for an abortion (Abortion Route): This event repeats whenever she gets pregnant.
- Ask her to stay with you (Buy House Route): Requires buying her a house and giving her allowances.

#. You can ask for time to think. But you must respond before 30 days post-conception, or she'll abort. Then she'll try to claim the money from you anyway, and if you don't pay, you'll lose her, disabling all her contents.

#. The event doesn't truly end until you choose the Buy House route. Once chosen, the abortion option becomes unavailable.

#. Buy House Route:

- Leads to a long sequence of events
- Ends with you gaining access to her new house
- **IMPORTANT**: Talk to Eva about Lukas. If you let her go alone to pick up her stuff, it can trigger a bad ending.

#. After completing the Buy House route, her old house becomes inaccessible (office/Lukas scene locked out).

#. End of Event 15.

Liya:

1. Go to the hospital when it's open and get a regular health check-up by talking to the nurse at the reception area. (Liya will not be there on Tuesday and Wednesday)
2. You'll meet Liya for the first time. Some dialog options have higher rewards than others. You don't have to look at the result from the test.
3. You can only get one health check-up per day. You'll have to wait at least another day to meet Liya again.
4. Bunch of dialogs here.
5. You gotta keep seeing Liya until either her love reaches 25 or you've visited her 7 times, before she'll agree to go on 1 date with you.
6. The first date will be on Tuesday at 11 AM, at the mall.

#. [end for first ever release version]

#. [Start of content for version 0.12]

7. Start of Liya's Event 2
 - Requirements: Liya's Event 1 must be completed, and you must have flowers in your inventory.
 - Note: This part has no choices—just reading. Make sure you don't forget the date, or Liya will get mad.
 - Warning: If you miss the date more than once, Liya will block you for a month. During that time, you won't be able to interact with her at all.
8. Buy a flower at the Mall, from the gift shop, then visit Liya at her hospital office. You don't have to buy it if you already have flower(s) in your inventory.
9. Click "Liya is here", then "Give Flowers." This starts a scene where you plan another date at the cafe. Liya agrees, and Event 2 is now active.
10. The date is set for next Tuesday at 11AM, at the Mall.

11. On the day, go to the Mall and select "Meet up with Liya." The date scene will begin, and you'll learn more about her.

12. There are 3 total dates required to complete Event 2.

13. If you have cheat access, you can roll back time to a Tuesday to attend the date. However, if you miss the date, you can't redo it unless you manually reset the related variable via the cheat page.

14. You'll know you missed a date if a notification appears in the top-right corner of the screen.

15. You can check upcoming dates in CHARACTERS → Liya → Event Progress → Event 2, which also includes this walkthrough.

16. To cancel a date: visit Liya's office, click "Liya is here" → "Talk about the upcoming date" → "Cancel the date."

17. Liya will forgive you the first time you miss a date. If you miss again, she'll refuse to interact for one month. During that time, all her activities will be locked.

18. End of Liya's event 2.

19. Start of Liya's event 3

- Requirement: Liya's event 2 must be completed.
- Warning: There's also no way out when you're in the event, so save before you start it incase you're unable to finish the sudoku event.

20. Wait 2 weeks after finishing Liya's event 2.

21. After 2 weeks has passed, Liya will send you a message, a poster about a sudoku event.

22. Agree to go to the event with her.

23. Unlike Liya's event 2, it is impossible for you to miss the event. She will continue to be at the library every Wednesday at 3pm until you attend the event with her.

24. You need to go to the event with her AND complete the puzzles faster than her. You don't have to win the competition, but if you do, you get small prizes from the event organizer.

25. There's no limit to how many times you can retry the sudoku event, other than your own time.

26. After placing ahead of her in the sudoku event, you'll secure a date with her. You'll discuss the date with her at a later time.

27. You can also attend this sudoku event after Liya's event 3 is completed. It's on every Wednesday. You can win prizes if you get first plus -5 stress.

28. End of Liya's event 3.

29. Start of Liya's Event 4

- Requirement: Liya's Event 3 must be completed.
- Details: You go on a confirmed date with Liya—she acknowledges it's a real date.
- Warning: If you skip, game time will fast-forward to Tuesday, 3 PM.

30. To start the event, either:

- Use your phone to initiate the date, OR
- Visit the hospital at 12 PM (any day except Tuesday and Wednesday) and select "Initiate real date."

31. Liya will agree to the date.

32. You can skip directly to the date, OR Wait until Tuesday at 3 PM and meet her at the City Center in the Guvment District.

33. This date cannot be missed—Liya will always appear at the City Center at the set time.

34. Go on the date with Liya.

35. No important choices here—just pick what feels right.

36. End of Liya's Event 4.

37. Start of Liya's Event 5

- Requirement: Complete Liya's Event 4. Event 5 activates automatically two in-game days later.
- Details: Liya wants to explain her behavior after the kiss.

38. This is a dialogue-driven exposition event.

39. Two days after Event 4, you'll receive a text from Liya. You can visit her office manually or use the "Go to Liya's office" button which only becomes available at the correct time. Either method leads to the same outcome.

40. She'll open up about her situation and set new boundaries.

41. Choose whichever dialogue options you prefer – none affect the outcome significantly.

42. The event ends after the conversation concludes.

43. End of Liya's event 5.

#. [End for version 0.12]

Adelle:

1. Go to the strip club, then go to the stage and throw money at Adelle. Get a private dance with her. This will, of course, cost money. You can only get one private dance per day.
2. Keep buying private dances from her, and eventually, she'll offer to suck your dick, for a price.
3. After a couple of blowjobs, you could ask her for sex. Whether she says yes or no, will depend on her lust. If it's less than 10, she'll say no.
4. If she is horny enough, she'll let you fuck her for free, but only 4 times, because she'll make you pay afterwards.

#. [end for first ever release version]

Cayenne:

1. You'll meet Cayenne at the gym. It is RNG dependent whether you find her or not. When you do, click the "Keep looking" button. She is usually at the gym during the weekdays, sometime between 2pm-4pm.
2. Repeat step 1 and click "Keep looking 2" when you see her again, where you can finally introduce yourself to her. If you somehow miss-clicked and didn't choose the "Be the man and introduce yourself", the button will still be there the next time you see her.
3. After introducing yourself, you can start looking for Cayenne at the gym with a "Look around for..." button, next to "Workout". This button is only available after you've made a friend/acquaintance at the gym.
4. Character introduction ends.

#. [END FOR VERSION 0.03]

Mira:

1. You can find her at the cafeteria between 12pm to 2pm.
2. That's... it. I know, "Wtf, why is it so short?" is probably what you're thinking. It is what it is. At least the intro is done.

[END OF CONTENT FOR VERSION 0.03]

Kenzie:

1. You can go to the university on Monday, Tuesday, and Wednesday, between 4pm-5pm, and catch Kenzie outside of the entrance. She's sitting on the bench there. There should be a button named "A girl sitting on a bench".
2. When you first talk to her, you can choose how you would approach her. Choose what you feel is the best approach, I believe in you.
3. Repeat step number 1, and keep meeting Kenzie here, until you guys become friends (the two of you agreed to a truce.)
4. You can now talk to Kenzie normally. Introduction a-complete.

[END OF CONTENT FOR VER 0.04]

5. Talk to Kenzie outside of the university until you meet her boyfriend. This should trigger immediately (not randomly). He'll greet you with a "Yo, bro."
6. From now on, you can find Kenzie and her friend group in the cafeteria, and you'll have the option to eavesdrop. You can only eavesdrop once per day, between 12 PM and 2 PM. This is available on all weekdays.
7. You need to eavesdrop on their interactions three times, which can only be done once per day in the cafeteria.
8. After overhearing them three times, you can talk to Kenzie about Kevin. During this conversation, you'll need to "Talk about Kevin" at least TWICE. This will complete Event 1, planting seeds of doubt in her mind.
9. Start Kenzie's Event 2.
 - This will start randomly, with a guaranteed start on Wednesday, when you click on "You see Kenzie." You'll find her crying, and after talking, she'll reveal what's bothering her.
10. Take her out to distract her. You'll visit the arcade with Kenzie and have a good time together.
11. Hang out with her one more time. You'll need to wait for Kenzie to ask to hang out again. This can occur randomly when you

try talking to her, with a 2/11 chance each time. However, this is guaranteed on Wednesdays. (The lower probability is for balance—you gain more from this interaction than Kenzie does.)

12. Once you've hung out with her twice, Kenzie's Event 2 is complete. This hangout becomes repeatable, with rewards depending on where she takes you; you'll leave with less stress and potentially more items.

13. About the hangout:

- Shopping: She'll buy you clothes and give +0.5 Kenzie Love.
- Arcade:
 - VR game = +4 Kenzie Love, -2 stress
 - Multiplayer/Racing game = +4 Kenzie Love, -2 stress
 - Claw machine = If lucky, you can win up to 5 plushies (2/15 odds) with a maximum of 5 tries.
- Lounge: +4 Kenzie Love, -1 stress.
- Pop-up shops: You receive sunglasses and +0.5 Kenzie Love.
- Rooftop bar: +4 Kenzie Love, -1 stress.

14. Start Kenzie's Event 3 (very short).

- After completing Event 2, talk to Kenzie at her usual spot in front of the university. During your conversation, you'll be interrupted by a voice from behind. It's not Kevin, and he won't hurt you... yet. It's a girl (or girls), so check it out. This completes Event 3.

15. Start Kenzie's Event 4.

- Requirement: You must complete Event 3. Go to Kenzie's usual spot, where you'll see her talking to a nerd, and you'll learn about her arrangement with him.

16. This is your chance to get closer to Kenzie by becoming her tutor. Find the nerd and convince him to stop working for her. You can find him at the library.

17. The nerd will ask you to solve his problem—he's being bullied by the jocks. Locate the jocks in the locker room at 3 PM, but the door will be locked.

18. Find the janitor and ask him for the key.

19. Return to the locker room, where you'll see the jocks. Choose any dialogue option here; it won't impact the outcome.

20. Report back to the nerd, letting him know the jocks won't bother him anymore. The nerd and his friends will agree to stop working with Kenzie.

21. Wait two days, then talk to Kenzie at her usual hangout spot. She'll be angry and will explain why.

22. This leads to you tutoring her at her house. After the first study session, you'll need to repeat this 7 times. Apologies for the grind, but at least it's consistent and doesn't rely on random triggers.

23. You can now tutor her at her house from 5 PM to 8 PM by visiting her in Harmony Hills. After tutoring her seven times, Event 4 will be completed. Yes, nine times may seem like a lot, but it's predictable and can be done every day. Plus, you gain intelligence with each session and a major love boost of +5 Kenzie Love per lesson. Quite a good deal, right?

[END OF CONTENT FOR VER 0.05]

24. Start Kenzie's Event 5:

- Go to her house (5 PM to 8 PM) for another study session. During your studies, the doorbell will ring. Uh oh, you're going to get beat up by Kevin. Oh, it's not him. See who it is! End of Event 5.

* For my lovely patrons/cheaters, you can just roll the time (hours) back, to complete the event in one day*

25. Start Kenzie's Event 6: Adding some tension!

- Just go to her house (5 PM to 8 PM) and do more study sessions. There are 4 study sessions before this event ends. End of Event 6.

26. Start Kenzie's Event 7: Studying with Kenzie, gone SEXUAL.

All it took was constant exposure to your witty self. You'll find that she is surprisingly giggly in bed. Make sure to read the conversation at the end of this event so that you know why this isn't repeatable yet. End of Event 7.

27. After finishing Kenzie's Event 7, you can now enter Kenzie's house, but only when she's there. Otherwise, no one will answer the door. During weekdays, she'll be out of the house to attend the University. She'll be home most of the time during the weekends.

28. At this point, the sex isn't repeatable yet—not until she's broken up with Kevin. However, there are some teasers of future events inside the house. I've decided against making the break-up event here because I know it's going to be big and long.

[END OF CONTENT FOR VER 0.06]

29. Start Kenzie's Event 8 - Kenzie breaking up with Kevin.

Warning, if you tell Kenzie to break up with Kevin without employing Naomi's help, you could DIE (Game over), so be sure to keep your fitness above 20 when you choose this route. To start/activate Kenzie's event 8, just interact with her and choose the button "Breaking up with Kevin". There are two obvious + 1 not-so obvious routes:

1. Using Naomi's help

- o Find her in the university's hallway using the new "Look for" button. She should be there between 12-2, and a 65% random chance to see her at any other time.
- o Talk to her, and she'll agree to help in exchange for a few "No questions asked" favors.
- o You can convince her to give Kevin a blowjob, but this is optional. You can also goad her into giving YOU a blowjob, also optional.
- o Stake out Naomi and Kevin, and get the evidence.

- o (Optional) Meet Naomi again by using the "Look for" button at the university hallway to thank her.
- o Give Kenzie the evidence, and the break-up sequence will start.
- o When you enter the university, the event will trigger, and you'll witness the breakup.
- o Talk to Kenzie again at her house about the breakup to conclude this event.

2. Not using Naomi's help

- o Immediately tell Kenzie to break up with Kevin.
- o When you enter the university, the event will trigger, and you'll witness the breakup.
- o Kevin will get angry and his cronies will suggest that you're the reason why Kenzie is breaking up with Kevin.
- o (Optional) If you talk to Kenzie after this at her house, she'll warn you that Kevin is looking for you.
- o The next time you enter the university, you'll get ambushed and beaten up. You could avoid the university forever to avoid getting beaten up, but don't do that.
- o When you get beaten up, you'll get penalties to your Stress, Fitness, and Sex Skill points.
- o Kenzie will visit you at the hospital, and she'll be crying.
- o You'll meet a potential future character here, Dr. Danielle.
- o Kenzie will tell you that Kevin and his buddies have been caught but managed to avoid legal troubles because of his family's influence, but that they will be moving to another university.
- o End of Kenzie's event 8 here.

3. Mix and match route:

- o Tell Kenzie to hold off on breaking up with Kevin.
- o Employ Naomi's help to get a blowjob from her, set up Kevin and get the evidence.
- o Don't give the evidence to Kenzie and get beaten up.

30. Conclusion: There's supposed to be a character(s) that you can get by staying at the hospital a little bit longer, but the story isn't done, so that'll have to be postponed. It's Dr. Danielle and another nurse.

31. For now, the best route would probably be to employ Naomi's help and give Kenzie the evidence.

32. I'll probably make the proper introduction for their characters in the next update, and you'll have to either repeat Kenzie's event 8 or use the cheat I'll be providing to skip straight to this new character introduction event.

33. End for Kenzie's event 8.

34. After finishing Kenzie's event 8, you can now have sex with Kenzie at her house, but only at 2 locations (bedroom + bathroom in the evening). You'll also have 24-hour access to her house now.

[END OF CONTENT FOR VER 0.07]

- B. This is Kenzie's new friend, Daphne. You can find Daphne at the auditorium between 12 PM and 2 PM.

37. Getting to know Daphne (Kenzie's friend):

- A. Go through the 9 conversation topics with her. You can only talk about one topic per day.
- B. For the final topic, you'll need to have at least 1 (one) weed.
- C. You can get weed from the seller in the alley: Guvment District → City Center → Alley → Seller.

D. After completing all topics, you'll hang out at Daphne's house, once, which is located in Picket Fence.

38. Then hang out with Daphne and Kenzie at the bench, and choose the option "Talk about movies".

A. Kenzie will then go missing. You'll have to wait one week before you can start looking for her.

B. Possible locations to find Kenzie:

a. Kenzie's house

b. University hallway

c. Ask Laney about her whereabouts (only available if you've already started working at the office)

d. Ask Daphne

e. Arcade (Kenzie appears here on weekdays, between 2 PM and 6 PM, and you need \$420 to enter)

i. When at the arcade during the right time, choose "Stroll around to find Kenzie".

C. When you find her after she goes missing, you'll have a conversation about the situation. Choose whichever answer feels right to you during this dialogue.

39. After completing Kenzie's Event 10, the previously unfinished sex scenes around her house will become available:

01. When she's cleaning in the living room.

02. While watching TV with her.

03. When she's brushing her teeth in the morning.

a. Go to the bathroom before her and spend some time there.)

Chloe:

1. Event 1 = Meeting Jester and Chloe for the first time.

- Requirement: none, except for money.
- Go to the alley in the City Center, at the Guvement District, sometime between 10am-4pm, and select "Merchant" to buy drugs from the guy standing there.
- You'll meet Jester here.

2. At the end of Event 1, you may choose "go home" where you exit the house, or "excuse yourself" where you may walk around Jester's house.

- Chloe will only be at Jester's house on Monday, Tuesday, Wednesday and Sunday.
- The rest of the days, she'll be at her house, which is in the same neighborhood as Jester's. But it will not be unlocked until you ask her about it. End of event 1.

3. Event 2 = Making a bet with Jester on who can fuck better.

- Requirement: Event 1 must be completed.
- Smoke some of that good stuff with Jester, and click "Keep smoking" 3 times. If you go for more than 4, Jester will become incapacitated, and you will not be able to make the bet.
- After 3 times, a new button will appear named "Ask him how good he fucks". Click this.
- When smoking weed you will get -2 Stress, but also -0.2 intelligence.

4. After making the bet with Jester, you may now tell Chloe about it.

- You can find Chloe at Jester's house or at her own house (you have to ask her where she lives first.)
- After telling her about the bet, she will not agree to it unless you give her something (gifts) that shows that you really know/understand her.
- If you want to look for clues, you may go to Chloe's house, and look around inside her bedroom.

- The correct gifts are "How to incinerate Friends..." and "Bikini" which can be bought from the mall in the main city.
- After giving these 2 gifts to Chloe, you will immediately get taken to the sex scene.

5. During the sex scene, some sex acts provide more pleasure for Chloe than it does for you and vice versa. i.e., if you receive a blowjob, your pleasure meter will go up more than it will for her. You need at least 26 sex skills to get a full score.

- If you score lower than 31, Chloe will pick Jester as the better lover.
- You need at least 31 points to get a tie with Jester.
- If you get 71+, you will win. There's no special reward for getting a 100+ score other than some different dialog after the first sex.

6. Next, you tell Jester that you've slept with Chloe. Depending on your score, you may choose different things to tell him. But if you score low, you may only tell him that you lost.

- If you picked "I won": Jester is sad, now he's not so friendly with you anymore, as his love will go down significantly, but you may raise it back up.
- If you picked "It's a tie": Jester doesn't mind, and nothing changes and the two of you are still buddies.
- If you picked "I lost": You give him money as an apology (need 500 bucks). He quickly forgets about the issue and you're now friends again.
- You don't give him money (not recommended): He is angry and doesn't want to see you again. This will be the last time you will see Jester, and you may not enter his house anymore.

7. Event 3 = Practice sex with Chloe.

Talk to her, and there should be a button named "Talk about the bet", where, depending on your result for Chloe's event 2, will result in different dialogs.

A. If you got a high score in chloe's event 2:

- You can skip the grind, and her event 3 will be completed after you had the first "practice" session with her.

B. If you got a low/normal score in chloe's event 2:

- You'll have to grind a bit, where you will need to have sex with her until you're able to make her orgasm. It doesn't have to be with Chloe to increase your sex skill, you may do it with other girls, but doing it with Chloe gives a 2 point raise (up until 40, then only 1) per sex, whereas it's only 1 for other girls.
- You can only practice once per day while the event is incomplete. You can do it an unlimited amount of times once Chloe's event 3 is completed.
- Once you make her cum/climax at least one time during sex, her event 3 will be completed.

C. To get over this quickly, just spam "Anilingus".

8. After finishing Chloe's event 3, the practice will be repeatable. It can be accessed by interacting with her → chat about... → practice (repeatable).

9. End of event 3.

[End OF CONTENT FOR VERSION 0.07]

[Start for version 0.13]

10. Start of Chloe's Event 4

- Requirement: Chloe's Event 3 must be completed.

11. How to Activate the Event: ractice sex with \$girl10.name1, then ask about creampiees after you cum.

- She'll say you can't because she and Jester haven't done that yet.
- She believes creampiees should be reserved for people who love each other.

12. Talk to \$man10.name1 about "creampiees", and give him money to take \$girl10.name1 on a romantic date.

13. By the end of the date, Jester and Chloe will have their first creampie sex.

14. Wait until next Monday, then talk to Jester about the date. He'll ask you to check with Chloe if he can creampie her again.

15. Talk to \$girl10.name1 about the date with \$man10.name1.

- Go on a date with \$girl10.name1 and pick the correct options to unlock the creampie scenes.
 - Minimum score needed: 2 points
 - Correct options:
 - Go on a horse ride (+1 point)
 - When picking food, choose "give 1 of everything" (+1 point)
 - Then either give her the remaining skewer or eat half of it (+1 point)

16. Once you get home, you will now get the creampie sex scenes with Chloe.

17. Notes:

- This event is repeatable.
- You can go on another date with her to get the creampie scenes again.
- The cost for each date is \$100.

18. End of Chloe's Event 4

19. Start of Chloe's Event 5

- Requirement: Chloe's Event 3 must be completed.

20. How to Start the Event: Go to Chloe's house on a Saturday at 9 AM, and enter the kitchen.

- You'll meet Madi and Kimora for the first time.
- If you interact with them, a foursome scene will occur.
- If you want to activate Madi's Event 1, make sure to focus on her during the hike + foursome scene.
 - Check Madi's event progress for more details.

21. This event is repeatable.

22. End of Chloe's Event 5

23. Start of Chloe's Event 6

- Requirements:
 - Chloe's Event 3 must be completed
 - You must own a car
- Event Details: This event is about going on a drive with Chloe.

24. How to Start the Event: Simply interact with \$girl10.name1, and choose "Go on a drive."

25. There are no choices to make during the event, but you'll see a custom radio GUI (which annoyingly took 3 hours to make).

26. In this event, you can have outdoor sex with Chloe.

27. Notes:

- This event is repeatable
- Cost: \$50

28. Time consumed (event logistics):

- 1 hour 10 minutes for the drive

- An additional 20 minutes if you have sex with Chloe

29. End of Chloe's Event 6

30. Start of Chloe's Event 7

- Requirements:
 - Chloe's Event 3 must be completed
 - You must own the white "Halter Crisscross Midriff" swimsuit
- Event Details: Bathroom shenanigans with Chloe

31. How to Start the Event: Obtain the swimsuit:

- Buy the white "Halter Crisscross Midriff" swimsuit at the mall for \$55.
- You can check if you already have it by looking in your inventory.

32. Talk to Chloe, and there should be an option to "Give her the swimsuit."

- She'll put it on and call you to the bathroom to show it off.
- You can inspect the swimsuit, choosing to focus on either the back (butt) or front (chest) side.

33. How to Complete the Event:

- The goal is to raise Chloe's arousal to between 80-100, then stop teasing just before she climaxes.
 - She'll then ask for help finishing, leading to sex in her bedroom.

34. Event Mechanics:

- You can tease her up to 10 times.

- Teasing the back or front gives different amounts of arousal.
- The amount gained depends on your sex skills.
- If Chloe's arousal reaches 100, the event ends early, and you miss the final scene.

35. Repeatability:

- Once the event is completed, you can replay it by:
 - Going to the bathroom while Chloe is there
 - Choosing "Ask to come in", then "Bring up the swimsuit"

36. Repeat Limitations:

- Can only be done once per day
- Only works if Chloe is at her house (not at Jester's place)

37. End of Chloe's Event 7

[End for version 0.13]

Danielle:

#. [END OF VERSION 0.07]

1. For version 0.08, you can access AJ's story either from the right-sidebar, or by going through Kenzie's event 8 and picking the route where you get beaten up by Kevin. The gist of it is, you have to be admitted to the hospital and stay there to get to her Event 1.

2. Start Danielle's event 1. Getting closer to Dr. Delaunay.

3. The doctors' visits are mandatory, occurring at 7AM and 3PM. You won't be able to skip these. When it's past 5PM, you can sleep to go to the next day.

4. For Danielle's Event 1, you'll have to look for her during the lunch breaks (11AM-2PM). There are six (6) days, so you'll need to find her 6 times. Be careful not to accidentally skip over the lunch times.

5. Here's where you can meet her (ONLY BETWEEN 11AM-2PM):

- Day 1: First floor, at the vending machine
- Day 2: Ground floor, at the cafeteria
- Day 3: Ground floor, at the waiting area
- Day 4: First floor, at the east balcony
- Day 5: First floor, your room.
- Day 6: Ground floor, at the cafeteria.
- Day 7: Event finishes. You won't know if she'll contact you or not, as you're leaving it up to her, but if you've met her on all 6 lunch breaks, it will be a success.

6. End of Danielle's event 1, no sex yet.

#. [END OF VERSION 0.08]

AJ:

#. [END OF VERSION 0.07]

1. You can access AJ's story by going through Kenzie's event 8 and picking the route where you get beaten up by Kevin. The gist of it is, you have to be admitted to the hospital and stay there to get to her Event 1.

2. Start of AJ's event 1. You meet AJ for the first time.

3. For AJ's event 1, you have to choose the best, flirtiest dialogues to swoon her over. She'll mostly be visiting you in the morning. When it's past 5PM, you can sleep to go to the next day.

4. If you choose correctly, you can increase her base lust to 10, where there's a special scene at the end of your stay. There's also the score, where if you get a score of 7 or more, she'll agree to stay in contact with you after her Event 1 is completed.

- First day, pick: "An angel in scrubs?"
- Second day, pick:
 - "Good, but even better..." → "Why don't you pick..."
- Third day, pick:
 - "You're right, I'm really excited to see you..." → Dating Disasters: A survivor's Guide
- Fourth day, pick:
 - If you chose, "Gently grab her hand...", then pick "Speaking of doing things..."
 - If you chose, "Act like a kid...", then pick "Is it also normal for..."
- Fifth day, pick: No options here.
- Sixth day, if you choose:
 - "No, I don't want to put labels on this." (this is the best option, but make sure you have enough score)
 - If you have a score of less than 7 (must be greater or equal 7), she'll back down, and her story ends here, forever. Else, sex scene here.
 - "Yes, I'll be loyal."

- The story will move forward and opens up future encounters with her. Sex scene here.
- Seventh day (if score was enough, and AJ wants this too), no options, but if AJ's lust is greater or equal to 10, you can have goodbye sex.

5. End of AJ's event 1.

#. [END OF VERSION 0.08]

#. [START OF VERSION 0.14]

6. Start of AJ's Event 2

- Requirement: AJ's Event 1 must be completed.
- Note: You can't fail this event since the quiz section allows unlimited retries. Patrons can still skip this even if they answer incorrectly.

7. To activate the event, open your phone, find AJ's contact, and select "Reach out to AJ."

8. She'll reply to your text, but you can only meet her between 8 AM and 10 PM. You'll need to wait until after her shift ends, which is 5 PM.

9. The meetup takes place at the ice cream shop. There, you'll need to convince her to have an affair by selecting the right dialogue options. Best choices:

- "It wasn't wrong..."
- "The thrill was half the reason it was so unforgettable."
- "The thought of you carrying my child..."
- "Good doesn't mean enough. You deserve to feel alive." OR "If he really saw you, he wouldn't have left space for me."
- "Maybe that's the real you, and you've just been hiding her." OR "That part of you... the one that can't help herself... I love her."

10. Outcome: The event ends successfully with sex.

11. End of AJ's Event 2

12. Start of AJ's Event 3

- Requirement: AJ's Event 2 must be completed.
- Notes:
 - There is a risk variable, but it is currently unused. It will affect future events.
 - You can check AJ's excitement and risk in CHARACTER → AJ → Event Progress.

13. Activating the Event

- Open your phone (either from your inventory or while at home).
- Find AJ's contact and select "Meet up."

14. Rules for activities:

- Any activity with AJ increases her excitement.
- Risk increases if you meet her when you shouldn't (e.g., during work hours).
- Risk does not increase if:
 - You invite her out during lunch (12 PM - 2 PM)
 - You invite her out on her day off

15. Progressing the Event

- Raise AJ's excitement to 75+ (Level 4).
- Once her excitement passes 75, use the "Meet up" button again and select "Her house."
- She will finally accept the idea.
- Check her schedule in CHARACTERS → AJ → More deets to see when she's at home (after work, or on Friday/Saturday).
- When you visit her house, she will have sex with you, and her house location (Dreamdale) becomes unlocked.

16. Activity Scenes (Meet Up Options)

- Hotel: No variation.
- Park: 4 minor variations, each triggered at 25 excitement intervals (no sex scenes here).
- Shopping (3 variations):
 - Normal shopping (no teasing)
 - AJ teasing (78% chance), you can suggest changing room sex
 - Changing room quickie (requires excitement 50+)
- Beach: 4-scene sequence ending with car sex. Car sex is repeatable—you'll always have the option to take a cab ride with AJ here.
- AJ's House: No variation. After Event 3 is completed, this scene can only be accessed by going to her house and knocking on the door (not via phone).
- Your House: (Unlocked after Event 3)
 - Works like a booty call where you can invite AJ for a quickie.
 - A special option allows extended sex if AJ's excitement is 75+.

17. End of AJ's Event 3

18. Start of AJ's Event 4

- Details: Meeting AJ's husband, Hendry.

19. Activating the Event

- Go to AJ's house in Dreamdale on Saturday and knock on the door.
- AJ will answer, but her husband Hendry will also greet you.
- You'll get to meet him and learn a bit about his character.
- During the conversation about his car, you can advise him to either:
 - "Fix it"
 - "Use an Uber"

- (Your choice here will be remembered and affect future outcomes in AJ's story.)

20. Completing the Event

- You'll need at least 3 beers (buy them at the mall in the main city).
- On Saturday, visit AJ's house early, knock on the door, and choose the option to hang out with AJ and Hendry while drinking beers.
- Knock and hang out three separate times on the same Saturday (drinking a beer each time).
- After the third time, you'll unlock a sneaky blowjob scene with AJ.
- This scene is slightly different from the repeatable version.

21. Repeatability : Once completed, the event can be repeated by doing the drinking and hanging out sequence (3 times) again.

22. End of AJ's Event 4

#. [END OF VERSION 0.14]

Laney Grey:

*No updates prior to this.

[END OF CONTENT FOR VER 0.07]

[START OF CONTENT FOR VER 0.09]

1. In version 0.09, a new area has been added to the Guvment District: the Business Area. There are currently three buildings there, and you can now work in one of them under Laney.
2. Start of Laney's Event 1: by getting a job at her company.
 - Requirement: Kenzie's event 5 must be completed.
 - You now have the option to take an office job. It doesn't pay much at first but becomes more rewarding with promotions.
 - Another benefit is unlocking more characters—because who doesn't love office girls?
3. How to start:
 - A. Go to the Business Area in the Guvment District during weekdays between 7 AM and 5 PM.
 - B. Enter building number one, called "Vanguard Tower."
 - C. Head to the 7th floor and speak to the receptionist. Ask if there's a job opening. (Note: There's no turning back after selecting this option.)
 - D. She'll say yes, and you'll proceed to a job interview.
 - E. The way you answer questions during the interview determines your starting position:
 - a. A good score gets you a junior position (recommended because it pays better).
 - b. A poor score gets you an intern position with lower pay.
 - F. Just choose the most sensible answers to do well.

4. Regardless of your interview performance, you'll be hired—but you can only start work the next day.
5. After waiting one full day, return to the receptionist and ask how to access the office (since it's locked).
 - a. She'll check the system for your name.
 - b. If you've waited the required day, your name will be there, and she'll give you a tour of the workplace.
6. Before starting work, you must introduce yourself to your boss—Laney, who is Kenzie's sister and nemesis.
7. Laney will then assign your first task:
 - A. Introduce yourself to everyone in the office (18 people total, including the receptionist).
 - B. You'll have a few dialogue options during introductions, but they don't affect much—just minor love point bonuses. Pick whatever feels right.
 - C. Use the "Look for..." button to find people and track your progress.
 - D. You can also check Laney's "Event Progress" to see how many people you still need to meet.
8. Once you've introduced yourself to all 18 coworkers, return to Laney and report in.
9. After completing Laney's Event 1, you're officially able to begin working at the office.
10. Note: There are no sex scenes yet—this update is more about expanding the world of GPG10.
11. End of Laney's Event 1.

Madi Collins:

[START OF CONTENT FOR VER 0.13]

1. Start of Madi's Event 1

- Requirements:
 - Chloe's Event 5 must be completed
 - This event is non-repeatable (unless replayed via cheats)

2. How to Start the Event: Begin Chloe's Event 5 (the hiking event):

- Go to Chloe's house on a Saturday at 9 AM
- Catch the girls in the kitchen, and choose the option to join them on the hike
- During the hike:
 - Make sure to look at Madi's ass at least once
- After the hike:
 - Peep on them, which leads to a foursome scene
 - During the foursome, always choose Madi whenever a choice appears
 - You must choose Madi at least 4 times
 - Looking at her ass during the hike adds 1 extra point
 - If your sex skill is too low, you may not get enough turns (you ejaculate early) to choose her 4 times
 - In that case, raise your sex skill to around 30 by having more sex with anyone

3. How to Know if the Event is Active:

- After the foursome scene, if Madi follows you, the event has been triggered
- You can also check her event progress:
 - If Event 1 shows up in red or green, it means it's active

4. Progressing the Event:

- Once active, you can contact Madi through your phone → Contacts
- Click her number and choose "Hangout"
- Response logic:
 - Madi may say yes or no at random
 - If she says no, she'll suggest a day – ask again on that day and she'll 100% say yes
 - If you miss the suggested day, she'll suggest another one
- When she agrees, make sure to click "Madi arrives" to begin the hangout
 - If you don't click it, the event won't trigger

5. Final Scene (Hangout with Madi):

- To get the full scene, pick the most flattering answers to her questions.
- The correct answers are:
 - "Yes (excited)"
 - "Fuck yeah, you're going to make my dick look so fucking huge"
 - "Yeah, your mouth's fucking amazing... but it's also the way you look at me while you're doing it"
 - "You, your pussy is the tightest"
 -

- You can replay it through the cheat menu:
- Go to Cheats → Characters → Edit Character Variables (AT YOUR OWN RISK) → Madi → ↓ Events ↓ → "Event 1"
