

DIVISION E CLUB REPORT

Division E holds both Zoom and in-person meetings, scheduled monthly to foster mutual support. In these sessions, we discuss what's going well, address areas for improvement, and exchange ideas and strategies for assisting struggling clubs.

Area Directors have begun visiting clubs and are submitting their reports. They are aware that all area reports must be completed by October 31, 2024.

Contest planning is underway, and Area Directors are actively recruiting contestants. We expect to have 4-5 participants representing our division.

Membership renewals are coming in slowly, and we anticipate that two clubs may not meet the membership quota. Open houses and networking efforts are in progress to help sustain these clubs and prevent them from closing. Toastmasters' flyers are being posted at local libraries and NOVA Community College.

Membership status:

- 238 members overall
 - o 202 are enrolled in Pathways (85%)
- 52 renewed (22%)
 - o 43 renewed to 3/31/2025
