Dear Parents/Guardians,

In accordance with **Louisiana Act 469 (SB 121)**, the Jackson Parish School System will offer **mental health screenings** for students in grades K-12. These screenings will utilize the **Strengths and Difficulties Questionnaire screening tool**, which has been provided by the Louisiana Department of Health.

A copy of the screening tool is available on our website at www.jpsb.us.

Important Information:

- **Parental Consent Required**: Before any screening is conducted, written authorization from a parent or guardian is required. You may choose not to consent.
- **Confidential Results**: Once the screening is complete, results will be shared and discussed with the parent or guardian of the student.
- **Voluntary Participation**: Participation is entirely optional and based on parental approval.
