

### Adult Supervision of Children's' Activities

As part of its obligations in regard to the protection of children Midleton Hockey club sets out in this document the details of adequate adult supervision of junior members provided by the club.

The club will ensure that all children's activities organised by the club will be adequately supervised by adults. Good practice dictates that more than one adult is present to supervise these activities. This will help to ensure the safety of the children as well as protect adults.

As a minimum all club-organised activities will be supervised by one male and one female adult.

Adult supervisors will ensure that they are not left alone with young participants. If an adult needs to talk separately to a child this will be done in an open environment, in view of others.

Leaders and adult supervisors should not be left alone with young people at the end of any activity. Start and finish times for coaching, training and/or other activities will be clearly stated. Parents are requested to collect their children as punctually as possible. If late collections occur leaders/supervisors should remain in pairs until all participants have left.

It is the responsibility of parents/guardians to make arrangements for the timely collection of young people in their charge. Consistent late collection may require alternative arrangements to be put in place.

If a parent is unavoidably delayed they should contact the club on one of the Coaches whose contact numbers will be provided to parents at the beginning of the event. In the event that no contact is made with the club/ Junior Committee the supervisor will attempt to contact the parent using the contact number(s) provided by them. If there is no answer they will ask the child if there is another family member whom they can contact.

If no contact can still be made the supervisor plus another adult will wait with the child at the club or venue until the child has been collected by a parent or other adult nominated by the parent.

Children attending for club-organised coaching should let one of the adult supervisors know when they have arrived at the club – it is the responsibility of parents to ensure that children do this. When they are finished their coaching

session and are leaving with the adult nominated to collect them they (or the adult) should inform the supervisor that they are leaving.  
Under no circumstances should a child leave the club premises without informing the adult supervisor.

If a child suffers an injury or accident the parents/guardians will be informed and an Accident Report Form will be completed.

Attendance records and records of any incidents or accidents that occur will be kept safely by the club.

The club welcomes and indeed encourages parents who wish to stay and supervise sessions.

Parents should note that adequate adult supervision as described above is provided only at the following times:-

- During your child's allocated coaching period as part of the club's Junior Coaching Programme.
- During any of the internal junior activities organized and run by the Midleton Hockey Club Committee.
- During any of underage matches/blitzes where the young person represents Midleton Hockey Club.

Arrangements for supervision during home or away matches etc. are outlined in the Travel & Hosting Policy

The details of the times of the above-listed activities are available from the appropriate team manager or the Juvenile co-ordinator .

If you have any difficulty getting this information please contact club secretary or Juvenile co-ordinator

We wish to make it clear that while there may be adults present in the club premises at other times the club does not regard their presence as the provision of adequate adult supervision and it is not responsible for the safety and protection of your child outside of the specific activities listed above.

While the Club takes every reasonable measure to ensure the safety and protection of all its members including Junior members while they are on the premises such measures do not extend to the provision of adequate adult supervision other than for the activities listed above.

In that regard it is the responsibility of each parent/guardian to ensure that their child is adequately supervised at all other times that they are on the club premises.
