

High School Student Council

The high school Student Council meets weekly to discuss matters involving the high school community and how to foster school spirit and plan fun events for the high school student body. There are generally representatives from each grade that are points of contact for the students and with a teacher liaison the group plans periodic events throughout the school to bring a greater sense of community to the high school of Sage. The Student Council members apply for the position and can either be voted on by their peers or appointed by a panel of teachers and administrators. Each Student Council member serves for one year and can run again at the start of each school year.

Contact: drew.lunt@sageintl.org

Meeting Information: Meetings will be on Mondays from 12:00-12:35 in Mr. Lunt's room

Who can attend: 9th-12th graders
