

The MAKE NICE GIRLS Pledge

#MAKENICEGIRLS

I, _____, am tired of Mean Girls.

Mean Girls get too much attention. I am done talking about them and listening to them.

They are no longer a part of my life.

Instead, from this date _____ forward, I am focusing on and encouraging others to do a simple task: MAKE NICE GIRLS.

The goals are simple.

1. TREAT OTHERS THE WAY YOU WANT TO BE TREATED

2. ENCOURAGE RATHER THAN DISCOURAGE

3. FIGHT FOR GOOD, NOT EVIL

4. INCLUDE RATHER THAN EXCLUDE

5. BE NICE!

I pledge to do my best to follow the goals above and I will surround myself with others who feel the same. Because MAKING NICE is cooler than Being Mean. Ask anyone who knows anything.
