- What SGA is - AJ
    - Pull in stuff from the long document
- How we solicit student views and input, how we represent student body - AJ
    - Benefitting council, we'll have a student expert helping out committees and policies pushed by SGA
- Why we want to be on SVAC, how we want SGA to be on it
    - If someone from SGA is on SVAC, SGA could make more qualified policy decisions - Madelynn
    - Guaranteed spot for SGA, and we have SGA nominees and they pick from the host of people we select (and they would also have to fill out the application) - AJ
- How we could help SVAC - Madelynn
    - Provide student perspective
- How SVAC can put voice into SGA - Madelynn
    - We could distribute information on new policies, updates, spread info about recommendations and what SVAC wants student body to know
