

PRISM SLICE PRIVACY POLICY

Effective date: July 22, 2026

Prism Slice is an offline puzzle game. We respect your privacy and designed the game to work without collecting personal information.

INFORMATION WE COLLECT

Prism Slice does not create accounts, collect names, email addresses, contacts, locations, photos, microphone recordings, payment information, or advertising identifiers.

LOCAL GAME DATA

Your game progress, settings, high scores, rewards, and unlocked content are stored locally on your device using Apple system storage. This data is used only to operate the game.

Removing the app may remove this local data.

NETWORK AND SHARING

Prism Slice does not require an internet connection. It does not send gameplay data to our servers, use third-party analytics, display advertising, or sell or share personal data.

SOUND AND HAPTICS

Audio and haptic preferences are stored locally. The game does not record audio or access your microphone.

CHILDREN'S PRIVACY

Because Prism Slice does not collect personal information, it does not knowingly collect personal information from children.

CHANGES TO THIS POLICY

If this policy changes, the updated version will be included with a future version of the game and will show a new effective date.

CONTACT

For privacy questions, contact the game publisher through the support channel provided with the app distribution.
