Reminder notice

Property Update - happening next week...

- You may have heard we have had a few issues with our electricity supply. We have brought a generator onsite to help with the additional electrical demand until a new transformer is installed as part of the building project.
- This week preparation has started for our temporary classrooms to replace Room 1, 2 and 3. We will not be moving into these rooms until a couple of weeks into next term. The significant fenced off area is to allow for trucks to enter and turn in the grounds, while keeping children safe.
- The temporary admin block is progressing. We are working towards moving into the admin block in the second week of the holiday break.
- While some work has started with connection of services, the majority of this will have to occur once the term is finished.

Sustainability Matters

- Matariki Breakfast tomorrow, 5.45am! All are welcome! If possible, RSVP via the [Onehunga Primary Parents Facebook page](#).
- Plastic Free July kicks off today! Find some great ideas on <https://www.plasticfreejuly.org/>

Matariki Rotation

If you would like to get involved with our rotation day on Thursday next week please email Jackie Arthur - jarthur@onehungaprimarieschool.nz
Can you help with newspapers, material / fabric scraps, thick cardboard, please drop them at our office before Thursday next week.

Hi I'm Miriama. I am making dog ropes for the SPCA for my Growing Leaders.
If you have any old towels, pillowcases or sheets please drop them to the office.
Thanks

Next week's reminders:

OPS ĀKONGA - What skills, attitudes and values do we want our learners to leave with at the end of Year 6?

In January 2021 our staff shared their ideas about the skills, attitudes and values we want our OPS Ākonga (learners) to leave with at the end of Year 6.

At 'Whā nau Connect' in Term 1 we heard from some of our whā nau about their ideas.

We have collected these ideas into a survey (a paper one came home today or [you can complete it online](#))

These initial ideas are just the start of our process! We have tried not to change what we have heard. There are a lot, and there may be some repetition.

We need to hear your ideas (our OPS whā nau), and also the ideas of our students to help us further develop our ideas.

We will continue to develop our OPS Ākonga over the next term and check in with you about what we think we have heard as we progress.

Thank you for taking the time to share your thoughts and ideas with us.

We would appreciate you completing this online if you are able to. You can find the online survey here <https://forms.gle/xvnewsauRCWbesUm7> and linked to our website and OPS Facebook page.

Please return/complete this survey to our office by Friday August 6

The Book Fair is an exciting time to come and buy new books for your child before the school holidays. Please come by Friday after school or Monday and Tuesday (before or after school). Buying new books for your home helps put more books in classroom libraries.
