

## Poster Project - Future Activity 2

### Promote Parkrose FBLA

We want to promote Parkrose FBLA to the entire student body. The larger we get as an organization, the more chances we have for beating the competition at State. Design a poster to help promote FBLA and get others interested in joining.

**Instructions:** Use a Publicity Sketch Sheet to develop a rough draft of what you would like your poster to look like. Once approved by Mr. Verhulst, use the Poster Paper, markers, computer, and any other supplies you will need to create your poster. When you have finished your poster, Mr. Verhulst will take your picture. Copy the picture below and add to your portfolio.
