

## 2016 Rangitoto Team Home Learning

Rooms 15, 16, 17, 18 Term 3

Week 3 - 4

You have a choice of homework tasks each week. Some will be very important and will help you to improve your learning. These will be known as star activities and will have a star in the box.

We are learning to read fluently.

### I can read my reader!

Extra reading – I can read a library book or a book from home. A magazine, comic, instructions or newspaper headlines.

I can retell a story I have read, using lots of detail and words from the text.

### Spelling

We are learning to spell words correctly.

Practise your spelling words from your spelling notebook:

*Say the word*  
*Sound the word*  
*Spell the word aloud*  
*Cover the word*  
*Write the word without looking*  
*Check the word*  
*\*\*\*repeat for next word*  
*If you get it wrong write it five times and try again.*

Extra for experts.....

Use a dictionary to find the meaning of your words.

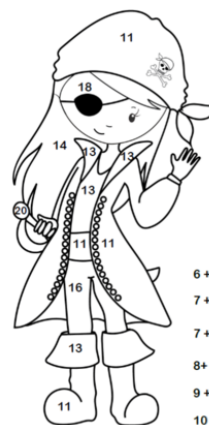

Write words in rainbow writing, using coloured pencils, felts, or crayons.

### Maths

Ask mum or dad if you can practise maths on Sumdog. Keep working on your basic facts (addition and subtraction)

<https://www.sumdog.com/>

Colour By Number

6 + 5 = \_\_\_ dark rose  
7 + 6 = \_\_\_ pink  
7 + 7 = \_\_\_ brown  
8 + 8 = \_\_\_ black  
9 + 9 = \_\_\_ flesh  
10 + 10 = \_\_\_ yellow

Keep working on your basic facts to 20 - remember to work on your speed. Roll 3 dice and add / subtract these. Do 10 a day - set yourself a challenge - can you do 10 in 1 minute?

### Messages from the Classroom...

Thank you to all the parents who came to the Learning Conversations last week. The kids enjoyed sharing their learning with you. If you would like to give any feedback on the Learning Conversations, please email us.

We are very close to running out of pencils. Could you please provide a few for the class. This would be much appreciated. Sarah

### Oral Language

**Week 3** - find something about pirates to share for news

**Week 4** - find something to share about machines

(see the Oral Language Overview for more details)
