

Stem Class Agreement

Our classroom will look clean and organized; we will pick up after ourselves and put things back where they belong.

Our classroom will have appropriate sound levels when we are working, and we will listen attentively when others are talking.

Our classroom will feel like a safe, positive place to learn: we will take risks, and we will support the risks and ideas of our classmates.

Our classroom will be a safe place to learn; We will follow digital citizenship guidelines; we will follow safety protocols for all activities; we will help make this classroom a safe environment for classmates to learn and share ideas.
