# INTRO:FA-Lam (3V)

[Verse]

Am

God knows what is hiding in those weak and drunken hearts

> G Gsus4 G

I guess he kissed the girls and made them cry

those hardfaced queens of misadventure

Am

God knows what is hiding in those weak and sunken eyes

Gsus4 G G

a fiery throng of muted angels

Giving love but getting nothing back

## [Chorus]

People help the people

And if you're homesick

Give me your hand and I'll hold it

People help the people

And nothing will drag you down

Dm C F

Oh and if I had a brain,

Dm C F

Oh and if I had a brain

Dm C F

I'd be cold as a stone and rich as the fool

E7

That turned, all those good hearts away

# [Verse]

Am

God knows what is hiding, in this world of little consequence

G Gsus4 G

Behind the tears, inside the lies

A thousand slowly dying sunsets

Am

God knows what is hiding in those weak and drunken hearts

G Gsus4 G

I guess the loneliness came knocking

No one needs to be alone, oh save me

# [[Chorus]

People help the people

And if you're homesick

Give me your hand and I'll hold it

People help the people

And nothing will drag you down

Dm C F

Oh and if I had a brain,

Dm C F

Oh and if I had a brain

Dm C

I'd be cold as a stone and rich as the fool
