

### **The right to bear arms**

- 1. Should everyone have the right to bear arms? If not, how do we decide who should bear arms?**
- 2. How do we counteract the likely increase in crime rates that would follow increasing the number of civilians bearing arms?**

### **Jungle justice**

- 1. Is jungle justice ever excusable?**
- 2. What happens when innocents fall prey to it?**

### **Abortion**

- 1. At what point does a "possibility" become a human life? (At ovulation? At fertilisation? At zygote, etc?)**
- 2. What is your stance on abortion?**
- 3. Do you think the IUCD or the Morning after pill is a form of abortion?**
- 4. Should women have veto power with regards to abortions?**
- 5. If the mother wants an abortion, what rights do the father or the grandparents have?**
- 6. Is having an abortion a selfish choice?**
- 7. Can abortion be considered a form of mercy killing for the would-have-been mother and child (saving them both from what would be a painful existence)?**
- 8. Is abortion murder?**
- 9. Should actions such as consensual sex not have consequences, do you think there are certain circumstances where it should be allowed?**
- 10. If your 13 year old daughter got pregnant, what advice would you give her?**
- 11. Why allow an unwanted baby to be born?**
- 12. What if they regret the abortion after?**
- 13. Does everyone not deserve a right to life?**
- 14. Should a father be forced to pay child support if the woman decides to keep the baby?**
- 15. Should we encourage women to view pictures of the results of abortions before having one?**
