

# HOW DID WE GET HERE?

I have recently been informed that an Ongezellig server I used to be an admin for (Ongezellig Province) has been sheltering potential pedophiles and has not only been keeping this disgusting behaviour hidden from the rest of the community and staying complacent but has built a facade for itself out of hypocrisy and lies. It is sickening. I found out about this deranged plot after an ex-admin had finally decided to inform me on it after leaving the server, ending months of keeping it hidden ever since the server had been made.

This document is meant to bring these disturbed and twisted people to justice by shedding light on their degenerate behaviour. It is not aimed solely at exposing the inexcusable behaviour of these people alone, but is also encouraging us in breaking the silence and exterminating these invasive, parasitic insects destroying our community.

## IN THIS DOC I WILL PROVIDE PROOF REGARDING THE FOLLOWING:

**Toleration of pedophilic, sadistic and inhumane sexual comments regarding minors** made by the owner directed toward the Schoppenboer sisters and the attempted cover-up formed by other Province members.

**Protection of pedophiles** within the community, including...

**Potential grooming and predatory behaviour** exhibited by the head admin of Ongezellig Province.

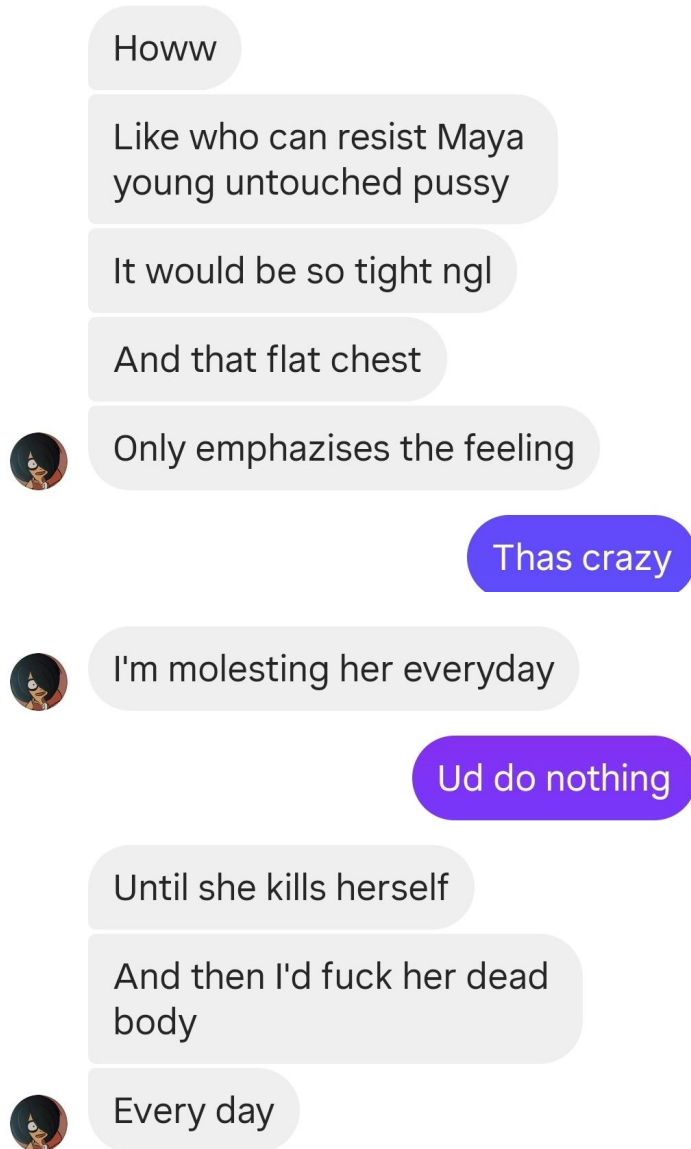

**Distribution of child pornography** amongst the owner and head admin of Ongezellig Province.

**Explicit art involving minors** and the attempt made by the owner and head admin of Ongezellig Province to justify it.

**The refusal to take action**, the thoughtless lethargy of the moderators and admins involved and their pure ignorance shown by their relentless avoidance of confronting the issue and its root causes.

# THE SEXUALISATION OF MINORS

The screenshots below were sourced from the Instagram direct messages between the owner of Ongezellig Province and an ex-admin of Ongezellig Province who was staying complacent with this behaviour at the time.

## So like, how do we know it really is this guy?

The Instagram username and Discord username of the account perfectly match with one another, showing that they go under the same alias within both platforms.

## What did he do wrong?

Although I have seen some of his friends and also him as an individual attempt to form a defense by saying that "because he is a minor, is it really that bad?" IT IS.

Minor or adult, **an unhealthy sexual obsession** being manifested through this kind of sadism and objectification is **dangerous not only for the community** he spreads these ideas in **but him as a person** and these kinds of behaviours could **evolve into more dangerous things** which will become immensely dangerous for him and those around him.

Message General

The individuals included in this screenshot and who will become the focal point of this document are...

**Connor**, a friend of the Owner, a friend of the Head Admin, and is also friends with two of the ex-admins. Also a former mod candidate. As a clarification, Connor is 15 years old and still denies involvement.

**NotZynn/Zynn**, a close friend of the owner and head of the Ongezellig Province Admin Team. She is an adult and is 19 years old. The owner has displayed both romantic and sexual attraction towards her, giving an insight into a strong bias and potential grooming.

**Mayadabae/Mayay**, the Owner of Ongezellig Province.

Zynn has been in contact with an NSFW artist and has been not only protecting the content but openly promoting it.

Crazy statement

notzynn ❤️ βοοβs 09:41

he told me about

Here we can clearly see that despite pedophilic art being produced, zynn still stays in contact with him, engages in conversation regarding said pedophilic art, and discusses it with her friends while facing minimal repercussions. We see a consistent theme of carelessness in even more disturbing instances of complete disregard for confronting zynn or mayay for their behaviour.

## DISTRIBUTION OF CHILD PORNOGRAPHY

Mayay had sent a picture of what he stated to be his clothed erection to Connor and attributed his sexual arousal to Maya (I'm trying so hard to word it carefully, I'm feeling disgusted while writing this) Connor sent said picture in his server and zynn had complimented Mayay, a minor, on the picture which was sent.

@mayadabae #maya 1 fan you're a pajeet

we've all seen it bro

In the Netherlands where zynn supposedly resides according to her and her friends own accounts, including her boyfriend who resides in the country, possession or distribution of explicit content involving minors is highly illegal.

## Kinderporno is strafbaar

In Nederland is het maken, verspreiden en vertonen van pornografisch materiaal met kinderen strafbaar. Ook Nederlanders in het buitenland die zich hieraan schuldig maken zijn strafbaar.

**Child pornography is a crime**

**In the Netherlands, the production, distribution and showing pornographic material with children are punishable.** The Dutch also prosecute foreigners who are guilty of this and are punishable.

## Virtuele kinderpornografie

Naast pornografisch materiaal met echte kinderen, is ook virtuele kinderporno strafbaar. Dit materiaal is bijvoorbeeld gemaakt met animatie of AI. Het is ook strafbaar omdat het seksueel misbruik van kinderen nadoet.

### TRANSLATION

## Virtual child pornography

In addition to pornographic material with real children, virtual child pornography is also illegal.

*(this makes her promotion and possession of Ongezeglijk NSFW a breach of Dutch law)*

This material is for example, **made with animation** or by AI. It is also an **offence for imitating the sexual abuse of children**.

Zynn has also displayed tendencies similar to grooming in the past, during her short relationship with the aforementioned CP artist Vaivara.

This shows that there is a very strong link between zynn and the artist, hinting at her deeper involvement in these kinds of circles and recurring instances of her displaying manipulative behaviour.

## PROTECTION OF PEDOPHILES

**Connor refused to confront zynn for her predatory behaviour.**

**connor** i don't associate myself with mayay nigga

**ilyas73** 22:15

you only say ts when provincers arent watching you

ive noticed this with how you behave around zynn and how you simultaneously claim to dislike zynn, knowing about her potentially predatory behaviour, complimenting teenage minors for their hard-ons and all (edited)

**connor** 22:16

i don't dislike zynn

i dislike the things she does

**ilyas73** 22:17

so why dont you interfere? you realise that, keeping her around and staying friends with her can paint you as complacent with her actions right?

**connor** 22:17

listen dude i honestly have better shit to do than beef over discord

**ilyas73** so why dont you interfere? you realise that, keeping her around and staying friends with her can paint you as

**connor** 22:17

bro she's actually chilled out as of recen

Sorry for being Captain Obvious here, but she was NOT chilled out. In fact, I think that zynn started becoming worse after Province began stagnating and she didn't have as many responsibilities to uphold anymore.

**connor** listen dude i honestly have better shit to do than beef over discord

**ilyas73** 22:17

this isnt even about discord its about the fact youve affiliated with her while she is a borderline predator

**connor** 22:18

i don't think she's a pred

**ilyas73** 22:18

lets get this straight bro  
shes 19 right

shes talking about the penis size of a 15 year old in a complimentary manner, not only implying that she is observing said quality of a minor but is actively enjoying the sexual undertone of the conversation

**connor** 22:19

she also said she knew it wasn't him right after

**ilyas73** shes talking about the penis size of a 15 year old in a complimentary manner, not only implying that she is observing

**ilyas73** 22:19

that is like, if a 19 year old man complimented a 15 year old for her chest

In the screenshot above, not only did Connor refuse to take action but actually **tried to mount a defense for the predatory behaviour.**

**connor** 22:19

i doubt that's actually his dick

**ilyas73** that is like, if a 19 year old man complimented a 15 year old for her chest

**ilyas73** 22:20

its disgusting dude

**connor** she also said she knew it wasn't him right after

**ilyas73** 22:21

ok even if it wasnt him, is it not still incredibly disgusting and immoral to encourage him by giving him that ego boost, knowing that he holds a romantic and potentially sexual view of zynn, an adult? is it not her duty as an adult to put these things to rest? if she isnt enacting said duty of adulthood she is unstable and cant be trusted, and probably needs to have her online activity monitored at this point, because that shit is fucking VILE and you KNOW it.

**connor** 22:22

bro you're taking it too serious  
it's discord

**ilyas73** 22:22

are we deadass?

In the screenshot above, **Connor undermines the predatory nature of the comment**, and tries to make the sexual advance seem small or insignificant.

**ilyas73** 22:24

listen man im just saying its not only the societal standard but the universally objective moral obligation of an adult not to engage in these talks with a minor, do you agree or disagree with me here?

even if its an act and i entertain the idea its an act

does this point still not stand?

**connor** 22:24

bro zynn isn't gonna get with mayay  
nobody's gonna get with mayay  
look at the way he acts

**ilyas73** 22:24

youre still not answering me connor

**connor** 22:24

dudes gonna die alone

**ilyas73** youre still not answering me connor

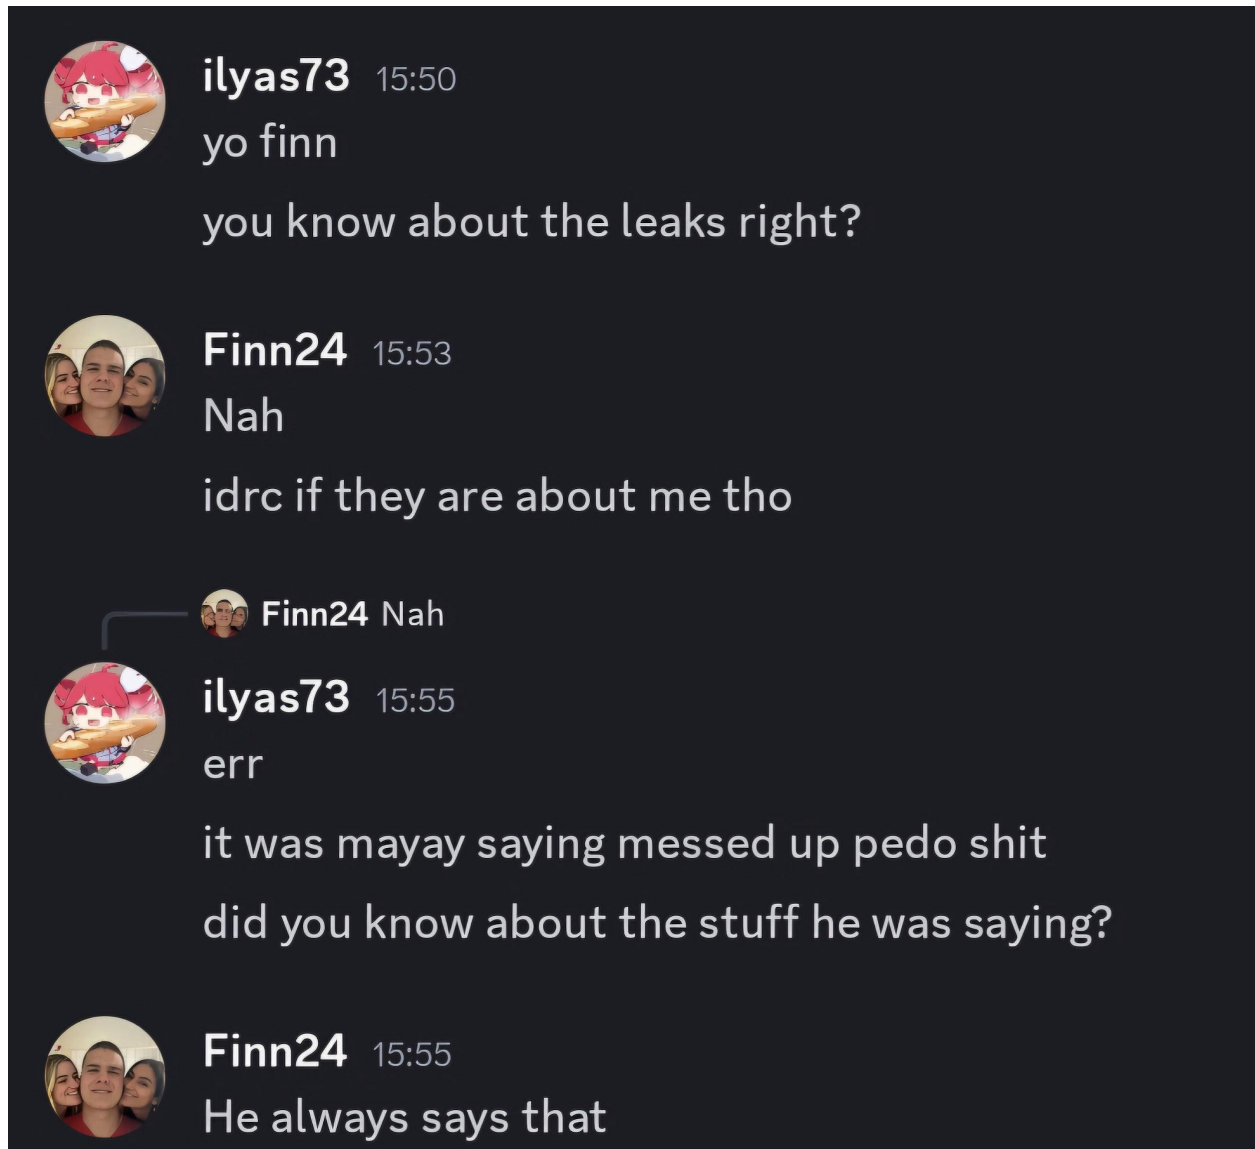

**ilyas73** 22:25

is it not her objective moral duty  
to disengage

Connor refused to answer from this point onward.

## Responses from other members

**Finn, ex-admin**

The screenshot shows a chat thread with five messages. The first message is from user 'ilyas73' at 15:50, asking Finn about leaks. The second is from 'Finn24' at 15:53, replying 'Nah' and saying it doesn't matter if the leaks are about him. The third is a reply from 'Finn24' at 15:55 saying 'Nah'. The fourth is from 'ilyas73' at 15:55, asking if Finn knew about 'pedo shit'. The fifth is from 'Finn24' at 15:55, replying 'He always says that'.

**ilyas73** 15/06/2025 19:04

ok peter, what if he becomes a serial rapist?  
cause joking about it is normal  
posting about it is normal  
role-playing it is normal  
do you see how it escalates the more you tolerate it

To conclude, I feel absolutely disgusted at the server I had once tried to elevate and show love for, and I hope that in this doc you will be able to understand how hurt and revolted I am at some of the shortcomings of our community. We need change and we need justice to be wrought onto the vile pieces of shit who were and ARE supporting this.

HM: pedophiles are not human beings kek
