

ANIMAL FARM CHARACTER JOURNAL: Chapter 8

In your character journal, please answer all of the questions below within your journal entry (in complete sentences, so you don't have to write out the questions).

You can use the [Animal Farm Character List](#) to help you choose a character. (Make sure you choose an animal present in this chapter.)

In your journal, describe your perspective on the following events:

I. Another change to the 7 Commandments

II. Squealer sharing statistics that prove conditions are better than before

III. Minimus' new poem "Comrade Napoleon". How is this different from "Beasts of England"?

IV. The lumber selling mess (first to Pilkington, then to Frederick and the resulting scam)

V. The battle against Frederick's men. (What are the results of this battle? The costs? The losses? How is this different from the Battle of the Cowshed?)

VI. The whiskey incident (and the resulting change in the 7 commandments)

VII. Squealer being found with a fallen ladder and spilled paint bucket
