RAIDER REVIEW 2025

October/November Edition

GRADE LEVEL MEETINGS

During the week of 9/8 at NBTHS we held grade level meetings through our PE classes. Each day this week grade level administrators spent their entire day speaking to all of the students on their grade level and sharing our expectations for them for the school year. They speak to them in their PE classes so that the groups are smaller and we can ensure that all students are actively listening. In the photos below, Mr. Louis Emanuel AP for the Class of 2027 and the Instructional Dean for the Class of 2027, Mrs. Rebecca Petronko, are sharing their expectations with juniors.

NBTHS and NBPD Work together for a cleaner North Brunswick

On Saturday morning the Environmental Club along with other NBTHS students joined the Police Department in the Renaissance Park Clean Up. Students had a great time volunteering and giving back to their community.

The Environmental Club is looking forward to working with the police department in future cleanups
