

## About us

Modern Training Academy has been serving the Bay Area since 2014 teaching the Olympic sports of Taekwondo and Wrestling and the grappling sport of Brazilian Jiu-Jitsu. We specialize in teaching competition-proven techniques in both arts while also preserving the tradition of the two sports. We offer classes to students of all ages whether they want to find themselves at the top of the podium or simply want to learn self-discipline, self-confidence, and self-defense.

## **Tiny Tigers!**

Children (Ages 4-7)

Our Tiny Tigers program is appropriate for our youngest (and most ferocious) athletes. The program runs Mondays through Fridays and is 45-minutes per class. We teach the fundamentals of Taekwondo and Brazilian Jiu-Jitsu in a fun and safe environment.

## **Taekwondo**

Youth (Ages 7-12)

Our youth training program is our taekwondo class for kids and children ages 7 to 12. The children and kids participating in this martial arts class will get an awesome workout while learning the value of hard work and determination. Students will be introduced to the sport aspects of Taekwondo along with the art's self-defense applications in a safe and fun manner.

Seniors (Ages 12+)

Taekwondo is a martial art for all ages! The senior class is for older children, adults and teens. This martial arts class will put a heavy emphasis on physical fitness and will push every student both physically and mentally. With some very light-contact sparring, a whole lot of plyometrics, kicking, punching and high-level Olympic-taekwondo training. It's impossible to make it through the senior class without a good sweat!

## **Competition Class (All Ages, membership required)**

Competition Class is a fun and exciting way to get in shape for local, state, and national-level Taekwondo and BJJ tournaments! All experience levels are welcome but be forewarned: the intensity level of this class is high. The class is one hour of technique followed by one hour of sparring. Sparring gear is required for TKD competition class. Coaching fees are \$25 per student for local tournaments. Any coaching expenses that require overnight travel will be covered by those students participating in the tournament.
