Buhl School District Parents/Guardians,

This school year our district has been involved in a strategic planning process that has included parent, student, staff and community members through small group interviews and surveys. The information gathered has produced some themes that we want to incorporate into our district goals. To help accomplish this, we will be conducting an “open house” on Tuesday April 12th from 6:00 to 9:00 in the Buhl high school cafeteria. We are requesting that any parents/guardians interested in assisting in this critical work attend. Please contact your student’s building principal by Wednesday April 6th, 2022 to get signed up.

As always, we appreciate your input and support as we work together for our most precious asset, our students!

Respectfully,

David Carson
