

SURREY RAMS GDPR PRIVACY POLICY

The Surrey Rams Basketball Club takes your personal data privacy very seriously:

We hold personal details on registered players, camp participants and their parents contact details on digital file. This information is held to ensure we have up to date contact information and any medical information available during any Surrey Rams event. This information will also enable us to keep you updated about our future club events such as training, matches, camps, news, special offers and other events.

We do, from time to time perform general assessment analytics on the data to ensure that we are delivering the best content and services; however, under no circumstances will we ever share any information with anyone else.

As part of the new data privacy rules (GDPR) you will need to confirm you understand and accept our data privacy policy and specifically how we use your data. This explicit consent will be requested if you wish to join our mailing list or on our next online application/registration form acceptance.

We will not provide your personal data to anybody or organisation outside of Surrey Rams Basketball Club Limited, unless compelled to do so by a court order.

If we have no meaningful communication with you over a 3-year period your details will be deleted.

You have the right to view the data we hold on you at any time (we may apply a small charge for this service)

You can have your details deleted anytime by unsubscribing on marketing collateral when it arrives or by writing to admin@surreyrams.net
