Fair Share Assessment (\$35/Semester)

In order to meet expenses and provide an excellent musical experience for all students, we have a Fair Share Assessment of \$35 per semester. This fee helps cover costs associated with a performing arts program including but not limited to music purchases, registration fees for choral festivals, bus drivers and gas for field trips, piano tuning, and guest vocal clinicians.

New choral students' Fair Share Assessment includes their traditional chorus t-shirt that is used for informal performances. Returning students who need an additional shirt may purchase one for \$15.

Students/parents have the opportunity to raise their \$35 through our fundraisers.

Field Trip Costs

- Spring Choir Tour - Advanced & Proficient Students only
