What are Conversation Groups?

- 60-minute sessions for building conversational fluency and vocabulary.
- Each group has about 4-6 people of similar Spanish level.
- Ideal for those who speak some Spanish and want to gain confidence.
- Right now, they are only available virtually, though we’re looking to expand them to in-person.

How signup works

- Go to the [SignUpGenius page](#) and follow the instructions there.
- All signups must happen **at least 24 hours before** the group session’s start time.
- I will **confirm** that time with you and **follow up with payment information and a Google Meet link**.
 - If you got a four-session bundle, you don’t have to decide at this moment what dates you’ll sign up for! I can help you keep track of how many sessions you have left :).
 - Please note, all Conversation Groups are online only for the time being.

What do the “levels” mean?

Level 1	Level 2
---------	---------

I know some vocab but have a hard time forming sentences.	I can make myself understood but it's not pretty!
Level 3	Level 4
I can have simple conversations and interactions while speaking at a normal pace for me.	I can converse about high-level or abstract topics while speaking at a normal pace for me.

If you feel like you're sort of "between" levels, I'd recommend going with the higher number. Most of y'all tend to underestimate your Spanish ability! And if you try something out and it feels too easy or too difficult, you can always switch next time!

Pricing

- \$20 for one session
- \$60 for four-session bundle

Cancellation policy

Any cancellations must happen **24 hours** before the start time of the session, except in case of emergency.

Otherwise, there will be a **\$15 cancellation charge**. The fee is waived in case of emergency.

Accessibility

- Bilingual closed captioning will be enabled through Google Meet.
- Clear instructions and structure stated at the beginning of each session.
- You choose how, when, and how much you want to participate.
- All information conveyed both verbally and through screen-shared Google Slides visuals.
- Google Calendar link allows you to set reminders for when your session starts.

Note: the signup form is not currently screen-reader accessible. I'm working on streamlining it! If that poses an access barrier to you in the meantime, please email me at spanishforshypeople@gmail.com or call me at (872-246-0289).
Feel free to reach out about any other access needs as well!
