

WELCOME TO THE 2025-26 DI SEASON!

Hello, MN teams! We are excited about the new DI season and are delighted to welcome you to terrific new challenges.

MN is teaming up with WI DI this season, and we are raring to go! We will trade tournament destinations, with our MN teams participating in WI DI's Northwest Regional tournament in Wisconsin. You will recall that last season, WI DI's Northwest Region teams performed at our tournament in March.

The combined Northwest Regional tournament will be at Hudson Middle School on Saturday, February 28, in Hudson, WI. This will be an excellent experience, and an important opportunity to showcase your teams' Challenge solutions, and to see other teams from two states in action. You will have a wonderful and inspiring traditional DI tournament experience and be better prepared if you are headed to Global Finals.

Nothing else has changed. You will purchase team numbers through DI, Inc. We will email you with information about upcoming workshops and training events, both virtual and in person. Tournament registration will be the same, through RegisterYourTeam. Our wonderful MN Challenge Masters and appraisers will be assessing teams at the February tournament, and teams will advance to Global Finals as they always have.

You can purchase your team numbers now and see the Challenges on August 1st. Take a look at the [Sneak Peeks](#) of this season's Challenges!

Reach out with any questions. I, along with Mary Bykowski and Mikaela Becker, WIDI Affiliate Directors, will be in touch again later this summer.
