ABOUT THIS OUTING: We will be hosting cub scouts from Pack 996 and helping them earn their "Into the Woods" arrow of light award including camping with a troop. We may also conduct a map and compass course for rank advancement if we have enough adult volunteers. It will also be a great trip to work on other rank requirements (knots, cooking, leave no trace, etc.). We will also go on a hike to the climbing wall and pond on the far side of the camp with map and compass. If the nature center is open, we will go inside to look at the exhibits which include Native American artifacts. On Sunday morning we will have breakfast and head for home by about 10am. Bikes are allowed at this campout.

Note that campsites 2-4 may not be available until 2pm (per the check-out rules) so we will meet at campsite #1 and park in the overflow parking as necessary. See separate event description document.
