

This is a living Google Doc, an on-going collection of Global Economy resources that we will add to as we engage with this work. In here, you'll find several headings - content we have produced, books we have read, media we have covered and watched, articles we have read, Twitter and Instagrams that we follow, and resources from others that we trust.

Content We've Produced:

- [How to Be Culturally Sensitive in a Global Economy](#) || The Good Doctors Diagnose
- [Intentional Human Resource Management with Tiffany Castagno](#) || Welcome To My World
- [Religiously Inclusive Holiday Parties](#) || The Good Doctors Diagnose
- [What We Mean When We Talk About Diversity, Inclusion, and Privilege](#) || The Good Doctors Diagnose

Books We've Read:

- [Convenience Store Woman](#) by Sayaka Murata, translated by Ginny Tapley Takemori
 - A timely exploration of gender, family, and culture.
 - [Abbey Research Reads Review](#)
- [Dopesick: Dealers, Doctors, and the Drug Company That Addicted America](#) by Beth Macy
 - If you don't know a lot about the opioid crisis in America, this book is a great resource for exploring the foundations of the pill epidemic, the role of big pharma, and our cultural stigmas against addiction.
 - [Abbey Research Reads Review](#)
- [It Didn't Start with You: How Inherited Family Trauma Shapes Who We Are and How to End the Cycle](#) by Mark Wolynn
 - We spend a lot of time talking about intergenerational trauma, and this book certainly informed a lot of our thinking.
 - [Abbey Research Reads Review](#)
- [My Underground American Dream](#) by Julissa Arce
 - An important and empathetic read about the reality facing life as an undocumented person in the USA.
 - [Abbey Research Reads Review](#)

- [*The Rainbow Troops*](#) by Andrea Hirata
 - A beautiful, autobiographical novel about growing up on an island of Indonesia completely dominated by a mining corporation's greed and destruction.
 - [Abbey Research Reads Review](#)
- [*The Rape of Nanking: The Forgotten Holocaust of World War II*](#) by Iris Chang
 - A part of WWII history that we don't teach, but we should.
 - [Abbey Research Reads Review](#)
- [*Travel as a Political Act*](#) by Rick Steves
 - Both The Good Doctors love to expand their worldview through travel, and definitely support Steves' premise that it is a political act.
 - [Abbey Research Reads Review](#)
- [*When No One Is Watching*](#) by Alyssa Cole
 - Who doesn't want to think about the perils of gentrification through an intense thriller?
 - [Abbey Research Reads Review](#)

Media We've Covered:
