

Community Service Activities for LCMS Bobcats
Asynchronous Day – Wednesday, September 13th

LCMS Bobcat students and staff will be participating in community service activities on **Wednesday, September 13th** as a way to give back to our supportive community. For these community service projects, we will be volunteering at Louisa County Parks, Recreation, and Tourism, the Louisa County Resource Council, Spring Oak Senior Living, and LCPS Food Service. This is an excellent opportunity for students to be involved in a service project that benefits our community.

Students who are participating in an activity will meet at the stadium lot at 11:30 a.m. and will ride a school bus to the locations. All students who participate in the activities **must ride the school bus that will be accompanied by adults**. We will return to the stadium lot at 2:00 p.m. for parent pick-up and a boxed lunch will be provided.

Please complete, sign, and return this permission slip to the LCMS main office no later than Friday, September 1st.
