**Instruction**

**Status: ADOPTED**  
October 17, 2012

Persons or groups wishing to use Modoc County Office of Education staff, students or property in connection with an academic research project shall submit to the County Superintendent or designee a written proposal which includes:

1. Name of researcher(s) and academic credentials
2. Purpose and scope of the project
3. Method of study or investigation to be used
4. Extent of participation expected of students and staff
5. Use to which project results will be put
6. Benefits to the school(s) or the County Office

The County Superintendent or designee shall evaluate the extent to which the proposal:

1. Shows potential for improving instructional programs and strategies
2. Addresses a relevant educational problem, concern or issue
3. Is designed to minimize interruptions and demands upon the time of students and staff

The County Superintendent or designee may approve the proposed project for a period of one school year or less. To extend any project into a second school year, the researcher(s) must obtain approval from the County Superintendent or designee.

Researchers shall certify that they will use no school names in the publication of findings without the approval of the County Superintendent or designee.
