

Mrs. Rinaldi's: 1st Grade Science Activity List:

Directions: The following activities are designed to be about 30 minutes in length. Check off an activity when you complete it!

Link to plans from March-May: [Science: Remote Learning March-May](#)

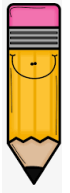

Week of June 15-19, 2020 **Design and Build a Blanket Fort!**

Pretend you are an engineer!

Design a Blanket Fort

- On Seesaw, draw a fort that you would like to build out of blankets, chairs, tables, or whatever you need to build your own fort!
- Label the structures of your fort!
- Do any of the structures have special functions?

Build your Blanket Fort!

- Using the design on Seesaw, create your fort!
- Seesaw: take a picture of your fort and tell us about the structures and their functions!
