Privacy Policy for Click Speed Pro

Effective Date: June 30, 2025

Thank you for playing **Click Speed Pro**! Your privacy is important to us. This Privacy Policy explains what data we collect, how we use it, and what choices you have.

1. What Data We Collect

We collect the following information:

- **Username:** You are asked to choose a username. This is tied to your device only and helps identify you on leaderboards. It is **not linked to personal information** like your real name, email, or account.
- **Device Identifier:** We use a randomly generated, device-specific ID to manage leaderboard participation. It resets if you delete your app data.
- **Game Stats:** We collect gameplay statistics such as:
    - Clicking speed
    - Best scores across different time intervals
    - Achievements
    - Other in-game performance metrics
- **Leaderboard Data:** Your username, scores, and achievements may appear on public leaderboards.
- **Ads Data:** We use third-party advertising providers that may collect data as described in their own privacy policies (see section 4).

2. How We Use Your Data

We use your data to:

- Display your stats and achievements

- Place you on global leaderboards
- Improve game features and performance
- Show ads to support the game

We do not sell or share your personal information with third parties for marketing purposes.

3. Data Deletion

If you delete the app data or reinstall the game:

- Your stats and username tied to that device will be erased
- A new player profile will be generated with a new device identifier
- Old leaderboard entries may still be visible, but they will not be linked to your new profile

4. Ads and Third-Party Services

Click Speed Pro uses third-party services that may collect information to show personalized ads. These providers handle data in accordance with their own policies:

- **AdMob (Google)**
    - Google's Privacy Policy

5. Firebase Leaderboard

We use **Google Firebase** to store and manage leaderboard data. Only your chosen username, scores, and device identifier are stored. This data is used for gameplay features and is not shared for other purposes.

6. Children's Privacy

Click Speed Pro is not intended for children under 13. We do not knowingly collect personal information from children. If you believe we have unintentionally collected data from a child, please contact us so we can delete it.
