

Bitrise Privacy Notice and Consent Form for Testers

1. SCOPE

This Privacy Notice ('**Notice**') provides you with information regarding the processing of your personal data carried out by **Bitrise Limited** (registered seat: 3 Waterhouse Square, 138-142 Holborn, London, England, EC1N 2SW); email: letsconnect@bitrise.io) ('**controller**', '**we**' or '**us**').

This Notice only applies to the data processing in the context of you providing us with user experience and user interface ('**UX&UI**') testing of our website and application as a service, during pre-agreed testing sessions, and to any outputs of such service, including but not limited to documentation, materials, suggestions, comments, feedback or reports created by you (collectively referred to as '**the Services**'), in connection with and to the extent necessary for the negotiation or performance of the Contractor Testing Services Agreement.

It is important that you read this Notice together with our Website Privacy Notice (located at: <https://www.bitrise.io/privacy>) which contains more detailed information about our data processing and applies to you as a registered user of our website or application, in addition to this Privacy Notice and regardless whether or not you are providing the Services.

Please note that neither of these policies nor data protection law apply at all to personal data that we have irreversibly anonymised!

2. PERSONAL DATA PROCESSING

Categories of personal data	Purpose for processing	Lawful basis for processing
First Category: Identity, user account, contact information (including, without limitation, email, company name (if any) and position), technical interest/knowledge and feedback provided by you in whatever form.	To gauge interest in participation and to maintain contact.	Performance or negotiation of a contract.
Second Category: Technical, profile and usage information collected by us and our third-party service providers including but not limited to: IP address, browser type and version, time zone setting and location, browser plug-in types and versions, operating system and platform and other technology on the devices you use to access our application and website, your clicks and mouse patterns on our website pages, your scrolling on our application, screen captures, both still and video, of usage.	To improve the UI&UX on our website and application.	To collect this data we use cookies and similar technologies subject to your consent. Once we have collected the data we will use it in accordance with our legitimate interests, namely the improvement of the UI&UX on our website and application.
Third Category: videos of you, screen recordings and audio files, each as you use the webpage and the application	To improve the UI&UX on our website and application.	Consent.

3. COOKIES AND PERSONAL DATA SHARING

Your personal data will be shared within our corporate group and may be shared with some of our suppliers, who supply us with analytics tools, customer contact solutions, web hosting and storage solutions, and other solutions, a list of which you can find on our website: <http://tiny.cc/p3s3dz>

A big part of information collection and sharing takes place with the help of cookies and similar technologies. Please see our Cookies Policy that applies to your personal data and is available here: https://www.bitrise.io/cookie_policy

4. INTERNATIONAL TRANSFERS

Some of the parties with whom we share your personal data, including our affiliates, are located outside the European Economic Area in jurisdictions that may have lower data protection standards. In most circumstances, we ensure your data is protected when transferred on the basis of standard contractual clauses in a form approved by the European Commission. Please contact us if you require any specific details.

5. DATA RETENTION PERIOD

We will need to keep the personal data received from you for four years unless that proves unnecessary. To determine necessity, we consider the amount, nature, and sensitivity of the personal data, the risk or harm from unauthorised use or disclosure, the purpose for which we process your personal data and whether we can achieve those purposes through other means, and the applicable legal requirements.

Please note that if considered necessary, we will completely and irreversibly anonymise your personal data at which point neither this Data Protection Notice, nor data protection law would apply. We may, for example, need such anonymised data as a reference in the future in order to track the design decision making on page design issues.

6. YOUR LEGAL RIGHTS

With respect to your personal data, you have the following rights under data protection law, which you can exercise by contacting us:

The right to be informed;	The right to restrict processing;	The right to object to profiling;
The right to erasure;	The right to complain to the ICO;	The right to withdraw consent.
The right to data portability;	The right to rectification;	
The right to access;		

7. FURTHER DETAILS

You are under no obligation to provide us with your personal data, but please note that the purposes for processing we have listed in this Privacy Notice are impossible to attain without you providing your information. No automated decisions concerning you shall be taken on the basis of your personal data that we process.

8. ACKNOWLEDGEMENT AND CONSENT FORM

I, _____ of _____ hereby:	
acknowledge that I have read and understood this Privacy Notice;	Signature: _____

consent to the use of cookies and similar technologies for the processing purpose of the second category of personal data;
