

News and Notes from Mrs. Anderson
8.11..2024

Good Afternoon, League Academy Students and Parents!

Welcome back to the 2024-2025 school year! We had a great week last week. I was so glad to see so many of you at 6th Grade Boot Camp and Back to School Night. The first two days were a giant success. We had so many smiling faces, friends excited to see each other, and teachers excited to greet their new students.

I know the carline at dismissal on Thursdays was a little dicey. I will chalk that up to the rain and the first day of school. A perfect storm! It was much better on Friday and will continue to get better and better and faster and faster. Thank you, parents, for your understanding and patience.

As you know there is some new language around dress code and cell phones in Greenville County Schools. Please ensure that your students are dressed appropriately for school each day. Details regarding dress code are on our website. We gave some grace for the first two days of school, but will uphold the dress code beginning tomorrow. ID badges are also a part of our dress code and expected to be worn at all times while in the building and during school hours.

For cell phones, students may bring their phones to school. However, between the hours of 8:30 and 3:15, students will be required to have their cell phone off and stored in their backpacks. An announcement will be made as a reminder each morning for students to turn off their phones and put them in their backpacks with their earbuds and airpods and other electronic devices. This will be their warning each day; therefore, if they are caught with their phone out or on, they will receive consequences even the first time.

All of these details are in our student handbook, which is linked on our website at the bottom. Please be aware of these policies so we can continue to make our school the safest place for students.

This is going to be a school year to remember! I am so excited to welcome each and every one of you to the League family. Have a great week everyone.

Mary Leslie Anderson
